# your week ahead

## BY DR. A.W. DAMIS

#### Forecast Period: March 14 to March 20

This week, as your spirit soars... so will your urge to spend. It might seem like stock advice, nevertheless, keep your budget under control.

It seems as though you'll be putting both feet into a new job, task or project. In other words, you're prone toward being dedicated to an unusual venture.

There's things that you must look into personally. Don't make the mistake of letting an associate take care of your job, task or project-do it yourself.

Take care, you're in high impulsive gear. You might, without thought of consequence, change your job, or residence. Yes! In some situations, even your mate or similar alliance.

It's a good time to ask for favors. As a matter of fact, a little aggressiveness will work won-ders. Incidentally, several valid rumors are on the wing.

#### CHUCKLE COLUMN **Fishing Business**

Two business partners were fishing in a small rowboat when a storm came up. The boat capsized and while one of the men began to swim, his partner was having trouble.

"Say, Ben," the swimmer said to the sinking man, "can you float alone?'

"Wow!" declared Ben, "I'm drowning and you want to talk business.'

#### **Prayer and Poem**

"Lord, give me the grace to catch a fish so big that when I'm talking about it afterwards I can't tell a lie!"

Here's to our fishermen brave, here's to the fish he caught -here's to the ones that got away, here's to the ones he bought.

#### **Cowboy Visit**

Two cowboys were visiting the big city for the first time. After a few cocktails they got on the metrobus. A military officer was standing near the door and one of the cowboys gave him money for their fares. "I'm a naval officer, not a conductor," the man in blue declared. Let's get off," said the tipsy range rider, "We're on a battleship, not a bus!"

#### So What

Happiness is that peculiar sensation you get when you're too busy to be miserable. Politicians wonder how the Lord can run the world without appointing commitees. A race horse is the only animal, that can take several thousand people for a ride at one time.

#### Poor Mom

A rancher's horse kicked his mother-in-law to death. A large crowd turned out for the funeral.

"This lady must have been mighty popular for so many people to take off work and come to her funeral," the minister intoned.

"They're not here for the funeral." the rancher said. "These people are here to buy the horse!"
