and I **Big Move**

A young man and his wife moved from New Jersey to an isolated part of Montana. A neighboring rancher gave generously of his time and experience in helping them to get started. The young couple observed that the old-timer always rode his horse, even for the shortest errands. "Don't you ever walk?" the husband finally asked

"Son," the rancher replied, "if the good Lord had wanted me to walk, he'd have given me four legs."

Not Enough

The little boy was late for Sunday School. The preacher asked why and the young lad, hesitating at first, replied: "I started to go fishing but my father wouldn't let me," he said. "That's a wise father you have, lad," the preacher commented. "He was quite right not to let you go fishing on Sunday. Did he tell you why?" "Yes," the boy said, "dad said there wasn't enough bait for both of us."

your week ahead

BY DR. A.W. DAMIS

Forecast Period: March 28 to April 3

Don't dance before the music is played! According to your chart, there's a possibility that you might render a service; give monies or commit yourself prematurely.

Unusual discoveries, connected with facts hidden by an associate; shows in your chart. Several things you've suspected will prove to be valid.

Contrary to what you have been told in the past, it's not wise to be tactful or diplomatic at all times. So, take a stand against a troublemaking associate.

One or more of your suggestions will be criticized. It would be a good idea to keep your thoughts and opinions to yourself, at least, this week.

There's an old saying that could apply to you, this week. What is it? You always hurt the one you love-think about it!

There are times when you lack a sense of logic, totally. As you might have guessed, this week happens to be one of those times. Please, control your emotions.

Throwing out subtle feelers about a long term plan...will be received with little or no en-thusiasm. It would be a good idea to keep your future objectives to yourself.

Don't shift horses in midstream. An associate seeks to involve you in a project, beyond your means. In other words, you'll receive advice not to your best interest.

Your relationship with the opposite sex, takes on a strange twist. You might be forced to weigh your affairs of heart against the friendship of an associate.

A single minded person, who can't see beyond their own existance will attempt to pin you down with their personal problems. Schedule your time for productive things.

Make certain that a minor setback doesn't snowball into an overall attitude of embitterment; stick with your usual high spirits. Don't expect perfection for an associate.

Facing reality becomes a major problem, during this week's cosmic cycle. Many under your sign might attempt to renew unproductive emotional ties-let bygones be bygones!
