HAPPENINGS IN AND AROUND SOUL CITY

SOUL CITY ARTIST IS WELL RECEIVED

Bobby Edward Jones,
Artist in Resident at Soul

Forum

[Continued From Page 9]

Wayne's education. Her efforts
shone in her work; she was
swift, industrious, willing to
apply herself. By now, she had
become a waitress. All before
the 60's.

Toward the mid-sixties,
Mrs. Smith had prepared
herself for a promotion in the
event there was an opening;
therefore, the step-up came
naturally. Presently, she is
assistant operator, at the
Downtown-Durham Store; a
smart, alert, attentive, happy
person who feels that much of
her success has come only
through persistent use of the
golden rule: "Do unto others
as you would have others do
unto you."

McKINNON

Helping Hand Club Presents Anniversary For Promoter

The Helping Hand Club
presents...the 29th anniversary
of Brother Jerry Milton Mc-
Kinnon-Gospel promoter, Mon-
day night, May 10th, at the
Pinehurst Elementary School
(in Taylortown), Pinehurst,
at 8:00 p.m.

Special guests are the
famous HiWay QCs of
Illinois, the Gospel Jubiles
of Raleigh; The Mighty M. T.
Gospel Singers of Durham;
The Famous Jordan-aires of
Durham; The Sensational Steel
Sisters of Rockingham; and
many others of your favorite
groups.

City was introduced to the
community on Sunday
afternoon, May 2. The re-
ception, held in SoulTech I
consisted of multimedia pre-
sentation

designed and
produced by the artist.

The exhibit consisted
of twelve works created
by Bob Jones; the paintings
were as follows:
"El Matador," a pastel from
the Pendergraft Collection;
"Morning Bath," an oil
painting; "Disciple's Sons,"
oil and tissue rendering;
"Head Elder," an oil and
pastel; "Water Carrier," an
oil and pastel, and "Festival
Serenade," of mixed media.
Jones' graphics included:
"African Love Song," a
linoleum print; "Court
Jester," a wood
print; "Maternal Struggle,"
a linoleum print and
"Anniversary Song," a
wood print. He also
prepared two drawings
which were on display. The
paintings were valued from
\$5 to \$900.

The audience of over
60 people was totally cap-
tivated as the artist dis-
played his skills
in choreography by his
interpretive dancing to
Stevie Wonder's "Inner
Visions," and "All Is Fair
In Love."

The next art exhibit
to be sponsored by the
Arts Council at Soul City
will feature twenty two
works on loan from the
South Eastern Center for
Contemporary Art.

SOUL CITY CHOIR PERFORMS BENEFIT

Residents of Pine Crest
Manor Nursing Home in
Henderson were entertained
on Saturday afternoon, May

1, by the members of the
Soul City Choir, directed by
L. L. Bartlett, and also by
the members of the Snow
Hill Baptist Church Junior
Choir.

Mrs. Ernestine Roberts,
Program Coordinator at the
Nursing Home, arranged the
program through the Soul
City Cultural Arts and
Historical Society. The con-
cert was very well received
by the audience which
consisted almost entirely of
senior citizens who seldom
have the opportunity to
leave the home to attend
a cultural event. Because
of this lack, Mrs. Roberts
will be working closely
with the Arts Council in
Soul City to bring other
performing artists into the
home.

In keeping with its goal
of total cultural enrichment
for the citizens of the Soul
City impact area, the Arts
Council will be reaching out
to those people who are
confined to institutions.
Soul City Cultural Arts and
Historical Society has ex-
perienced tremendous
growth over the last year;
thanks to the financial
assistance of the North
Carolina Arts Council and
the National Endowment
for the Arts.

FIRST RESIDENTIAL LAND SALES ARE MADE AT SOUL CITY

Land sales in the Green
Duke Subdivision at Soul
City have gotten off to
a running start. E. C.
Seaman of E. C. Seaman
Real Estate Company in
Henderson, was the first
contractor to purchase lots
in the new residential area.
Seaman signed

contracts on four lots on
April 15 at The Soul City
Company and took options
on fifteen others. His
purchases included lots No.
54 and No. 55 on Turner
Circle and lots No. 63
and No. 64 on White
Circle. He will be
establishing a sales office
in Soul City on Opportunity
Road in conjunction with
Spottswood Burwell from

Kittrell. Seaman and
Burwell Construction Com-
pany will be starting on
their first model home to
be located at the model
home site on Duke Drive
in about two weeks. In
addition Seaman
will establish the E. C.
Seaman Realty Insurance
Company in Soul City.
The Soul City
Company has commitments

on approximately three-
fourths of the seventy-two
(72) single family
lots located in the Green
Duke Subdivision.
The moon is actually a gigantic
stone in the sky. It's an airless,
waterless sphere of towering
mountain ranges, craters and
plains. The moon rotates around
the earth always keeping its far
side hidden from our sight. It has
a diameter one-quarter the size
of the earth and is only 238,000
miles from our planet.
