## March Of Dimes Honors Elizabeth City S. U. Fraternity

The Gamma Rho Chapter of Phi Beta Sigma Fraternity, Inc., at Elizabeth City State University, has been awarded a plaque of appreciation by the National Foundation of the March of Dimes.

During the earlier March of Dimes Telethon, members of the ECSU chapter canvassed homes in the Elizabeth City and surrounding areas. Each year, they have collected over \$200 from their door-to-door

solicitation of funds.

The project was part of the Sigmas Project SAD, Sigmas Attack Defects, showing a concern for the thousands of children who are born with birth defects, each year. In addition, the Sigmas distributed pamphlets on drugs, pre-natal care, birth defects, Sickle-Cell Anemia and other diseases. They were assisted by members of their sister organization, at ECSU,

the Alpha Gamma Chapter of the Zeta Phi Beta Sorority.

The advisors, officers and members of the Gamma Rho Chapter of Phi Beta Sigma Fraternity wish to thank The Daily Advance, radio stations WGAI and WCNC and the Elizabeth City community for helping to make this project successful, by making worthwhile contributions to the health and safety of future generations.
