

# Youth-All Bapt. Assembly Slated For Winston-Salem August 2-5

The Auxiliaries and Departments of the General Baptist Family of North Carolina will be meeting at the Benton Convention Center in Winston-Salem, August 2-5 hosted by the General Baptist churches of the city.

The All Baptist Theme is "Christian Freedom and Responsibility". Registration will be held at the Convention Center and all youth who have not registered should go to the Center immediately upon arrival and register because there will be a rehearsal of the Convention Concert and the Candlelight Service, including the Bicentennial pageant at 10:00 a.m. on Monday. Also the cookout for the youth and supervisors will follow on Monday at 6:00 p.m. at the Shiloh Baptist Church on Highland Ave. All youth will be admitted only with badges; supervisors and other adults will be assessed a small fee of \$2.00 each.

All youth and supervisors, advisors and church leaders of groups are urged to attend all sessions of the Assembly and "get involved". Since the Baptists of the state meet in the Assembly only every four years, Dr. Johnson, the president, officers and department heads are anxious to make this the best one yet.
