Shaw University Evening School Set For Sept. Opening

RALEIGH - The Shaw University Evening School with courses scheduled at night during the week and on weekends offers a special opportunity to busy adults and working students to pursue a college education. Persons who might not otherwise have the opportunity to enroll in college courses or to pursue a degree can find at Shaw selected courses of study that will accommodate their individual schedules.

The Evening School program is composed of several components including regularly scheduled classes, directed independent study, internships, cooperative education, and course exemption examinations. By combining flexible course scheduling with these unique features for course offerings, busy adults and working students can proceed toward their degree within the traditional four-year period.

Students may select a program of study that combines several of the components of the Evening School, or they may attend

only the evening or weekend components.

Courses of study leading to a Bachelor's degree are available in public administration/criminal justice, business management and economics, behavioral science, liberal studies, and accounting.

The program is open to all adults and working students who have completed high school or hold a high school equivalency certificate. Students are offered the opportunity to accelerate their program through the College Level Examiniation Program (CLEP) and by institutional departmental examinations.

Applications must be submitted by August 1 for the September registration and by December 1 for the January registration.
