Today there are over 95,000 Deltas and more than 600 chapters across the nation and in the Republics of Haiti and Liberia. The new chapter will develop its public service thrusts around the sorority's national five-point program of educational development, economic development, housing and urban development, community service and international development and mental health.

## Put Classic Pudding On Menu

Even if you prefer low fat or skim milk, you can prepare this delectable Orange-Coconut Tapioca Delight. In minutes, Minute tapioca blends all the pudding goodness. Baker's Angel Flake coconut and mandarin orange sections add texture and flavor to a delicious fluffy tapioca cream base.

**Orange-Coconut Tapioca Delight**  
3 tablespoons quick-cooking tapioca  
1/8 teaspoon salt  
3 tablespoons sugar  
2 cups milk  
1 egg yolk  
1 egg white  
2 tablespoons sugar  
2/3 cup flaked coconut  
3/4 teaspoon vanilla  
1 can (11 oz.) mandarin orange sections, drained

Mix tapioca, salt, 3 tablespoons sugar, the milk and egg yolk in a saucepan. Let stand 5 minutes. Meanwhile, beat egg white until foamy; gradually beat in 2 tablespoons sugar, and continue beating until mixture will form soft rounded peaks. Set aside. Cook tapioca mixture over medium heat, stirring constantly until mixture comes to a full boil, 6 to 8 minutes. (Pudding thickens more as it cools.) Gradually add to the egg white mixture, stirring quickly just until blended. Stir in coconut and vanilla. Cool 20 minutes; stir. Chill. Just before serving, layer chilled pudding in individual parfait glasses with oranges, reserving a few for garnish, if desired.

## Durhamites Gala Cabaret

Dear Durhamite:

Perhaps you have already heard that we Durhamites of Metropolitan Washington, D.C. Area were very successful last year when we celebrated our first scholarship gala.

To that end, we donated a scholarship in the amount of \$1,000.00 to our recipient, Ms. Tara Fikes. Tara is about to complete her first year of college work at the University of North Carolina.

It was because of folks like you who provided the means to give a scholarship that we were able to help carry Tara through some of the difficulties encountered as a freshman in a college environment. Thank you for caring!

Chances are you are wondering what we are doing now. This year we plan to give a second scholarship to another deserving senior high school student who lives in the City/County of Durham, North Carolina, to help provide financial support during the first year in college. Further, we plan to move forward to help meet some of the needs of the community.

In fulfilling our objectives, again, we call on you to join us in supporting our second annual public money making activity. We promise to go all the way, and then some, in providing an occasion you cannot afford to miss and at the same time help you to renew old ties with friends.
