The Club colors are red, white and green. "Mixed colors have been chosen for various reasons. For it is our belief that the help we offer should be extended to all children of many races and many languages who need aid in enjoying a better life.

"Red has been chosen because of its warm radiance. We hope it reflects the warm glow of friendship and human kindness and love we are trying to give needy children.

"White has been chosen because it signifies sincerity of purpose, or supreme desire to aid uncompromisingly, any child who needs a friend.

"Green has been chosen because it stands for fertility. It is our prayer that we grow in structure and unity of purpose that Child Welfare Programs in many communities will be enriched through our endeavors."

Durhamites Gala Cabaret

Dear Durhamite:
Perhaps you have already heard that we Durhamites of Metropolitan Washington, D.C., Area were very successful last year when we celebrated our first scholarship gala.

To that end, we donated a scholarship in the amount of \$1,000.00 to our recipient, Ms. Tara Fikes. Tara is about to complete her first year of college work at the University of North Carolina.

It was because of folks like you who provided the means to give a scholarship that we were able to help carry Tara through some of the difficulties encountered as a freshman in a college environment. Thank you for caring!

Chances are you are wondering what we are doing now. This year we plan to give a second scholarship to another deserving senior high school student who lives in the City/County of Durham, North Carolina, to help provide financial support during the first year in college. Further, we plan to move forward to help meet some of the needs of the community.

In fulfilling our objectives, again, we call on you to join us in supporting our second annual public money making activity. We promise to go all the way, and then some, in providing an occasion you cannot afford to miss and at the same time help you to renew old ties with friends.
