## Sorors Celebrate Founders Day

The Blair House was the setting for eighteen sorors as they celebrated the 58th year of existence of Chi Eta Phi Sorority, Inc.

Chi Eta Phi Sorority, an organization of registered nurses, was founded October 16, 1932 by Mrs. Aliene C. Ewell along with eleven other nurses. They organized Alpha, the first chapter, at Freedman's Hospital in Washington, D.C., with the two-fold purpose of elevating the plane of nursing and increasing interest in the field of nursing.

Sorors of Pi Chapter, Durham, attired in sorority colors, gathered for closed ceremonies with the organizers and four of eleven chapter members. With the assistance of Sorors Adele Butts and Emma Randolph, Pi Chapter, the fifteenth chapter of Chi Eta Phi, was organized April 30, 1955.

Sisterhood flourished throughout a gala evening which was climaxed with dinner. Enjoying this fellowship were: Organizers: Sorors Adele Butts and Emma Randolph; Charter Members: Sorors Alberta Allan, Ruth Arney, Lydia Betts, and Hilda Clark, three of whom are presently active in the sorority. Other sorors present were: Lauretta Hayes, Basileus; Debra Giles, First Anti-Basileus; Nannie Davis, Grammateus; Anne Hargett, Epistoleus; Norris Burton, Dean of Pledgees; Joan Martin, Beta Sponsor (on campus); Lottie Hall, Beta Sponsor (off campus); Barbara J. **BY THE WAY...**

By Joe Black

Are you one of those who is always asking, "Where is the political representation for our community?" Are you tiring of too little action and too much rhetoric? Would you like to see things turned around?

If you answered yes to those questions, then heed the advice of the National Coalition of Black Voter Participation when they urge us to become involved by locating the voter participation campaign in our town and offering our services. My friends, we have arrived at the time when we must become more sophisticated in our selection of political candidates. They all promise us a chicken in every pot, but the pages of history show that too many of them mean a chicken for those who have and unfulfilled dreams for those who have nothing except hope.

Thus, it requires our recognizing that the selection is more than Democrat or Republican, or Carter versus Reagan. We must listen to and evaluate those political leaders who project sincere plans that are designed to give us lasting dignity and self-respect via equality of justice and an opportunity to attain preparation for today's jobs so that we receive paychecks rather than handouts. To achieve this goal, we must not let political parties think that we are their robots.

So, register...think...and then vote.
