Tiempo

Double Steel Belted Radial

At last. A tire that's fun to drive because it's the tire with the right traction for almost any weather. In rain, Tempo gives you grip to help resist hydroplaning. In any weather, Tempo has 10,000 biting tread edges for hard-working traction on curves or during sudden stops. You also get steel belt radial construction... gas-saving economy... a built-in Scuff Bar that helps keep whitewalls white. Insist on the Tempo radial. It's a lot of tire for the money!

Pediatricians suggest the time to call them is when an infant looks or acts different. She becomes unusually pale, tired, irritable, anxious or restless. This is particularly true in the first two or three months when a baby can be ill without fever.

James P. Beckworth, who in 1850 discovered a pass in the Sierra Nevada near Reno that still bears his name, was a Black American explorer who became a chief of the Crow Indians after marrying an earlier chief's daughter.
