Looked And I Saw

Pastor, First Ledge Rock Baptist Church

"Being Purged For Service"

The question of old was raised regarding men's acceptance into the divine field of labor. Some Christians wanted matters made clear to them with respect to the salvation. They realized that their present behavior toward the brethren would help determine their destiny with God. Men needed a key element to draw them into close relationship with one another. That key spoken of here is the divine Word of God. These people (some Jews while others were Gentiles) were seeking one kind of hope that would cure all of the spiritual ills. Only the Word of God through Jesus Christ could satisfy their present as well as their future longings to be with God eternally.

What was the question of old time and does it have any weight for our salvation? Where shall a man be purged or cleansed for service in God's vineyard? The answer can only be found from a divine concept: in the Word of God. The Word of God has in it more power to save than the whole world of man regarding knowledge and physical strength. Whether Jew or Gentile, man can find divine cleansing for his iniquity in the Word. The Word of God is power made ready for every man who believeth on Jesus as the Lamb of God that taketh away the sins of the whole world. Why Jesus as the Lamb of God for the whole world? Through the divine will of God, Jesus was the Word of God from the beginning made flesh to cure our sin-sick soul diseases.

From the beginning, God realized the man had no righteousness of his own power to restore relationship after the fall of man. The way to restore the divine broken fellowship was Jesus who clearly declared Himself to be the way, the truth and the life for all men's salvation.

He who hath ears to hear, let him hear.
