**SOUTHERN ARTS FEDERATION (SAF)** — is seeking performing arts groups to include in its 1982-83 touring program. Southeastern performing arts groups interested in touring in the region begin-

ning in September, 1982 should contact SAF immediately for application information. The deadline for application is April 15, 1981.

Each year SAF assists a limited number of professional touring theater, dance, opera and music groups with partial fee support to qualified sponsoring organizations in the Southeast. Performing groups are chosen based on their application; funds available and demand in a given art form.

A performing group must have a firm commitment from its board of directors, administrative staff and artists to the concept of touring for community audiences; a history of sound administrative and artistic direction and a regional or national reputation that demonstrates a high level of accomplishment. In addition, their artistic product, structured programs of educational value, and a demonstrated history of successful touring in their resident state will place the applicant in a favorable light.

SAF is a regional arts service organization with membership including the state arts agencies of Alabama, Florida, Georgia, Kentucky, Louisiana, Mississippi, North and South Carolina, Tennessee and Virginia.

For more information, write Southern Arts Federation, Suite 712, 225 Peachtree Street, NE, Atlanta, Ga. 30303.

**1981 MARINE ENVIRONMENT WORKSHOP** — The N.C. 4-H Program, the N.C. Marine Resources, and the N.C. Sea Grant are sponsoring a summer workshop on the Marine Environment July 19-24. The workshop is open to rising high school juniors, seniors and seniors who have graduated but not entered college.

Many facets of coastal life will be examined with special emphasis placed on the following three objectives:

—Create an awareness of marine resources and their potential value to man.

—Develop an awareness of ecological problems affecting marine life and the complexity of their solutions.

—Explore opportunities in marine related careers. Outstanding educational research facilities and an excellent staff furnish an atmosphere of learning, fun and fellowship.

The workshop will be held at the Bogue Banks Marine Resources Center with lodging and other activities at Mitchell 4-H Camp, Swansboro, N.C.

For more information or applications, contact the 4-H office, 721 Foster St or call 688-2900. Application deadline June 1, 1981.

**TENNIS LESSONS** are offered at Edison Johnson Recreation Center on an on-going basis Monday and Wednesday mornings at 9 a.m. and 10:30.
