For more information, contact John Blake, Parkwood Branch Library, 544-2171.

**FOSTER HOMES FOR "SPECIAL NEEDS" CHILDREN** — Children are continuously coming into foster care. Foster care provides for the emotional and physical well-being of a child temporarily. A person wanting to become a foster parent should take a look at his/her personal situation. Could he/she best serve a child for emergency care a few weeks, months, or long-term care, which could mean years of caring for a child?

The Durham County Department of Social Ser-

vices needs foster parents for school age children, children with emotional problems, physical and mental handicaps adolescents, and sibling groups, "special needs" children. The basic requirements to become foster parents are not that difficult. One must:

- be 21 to 65 years old;
- provide a healthy living environment and meet standards for sanitation and fire safety;
- have adequate sleeping space; and
- have a stable income.

The crucial and most important criterion for becoming a foster parent is to be able to be committed to helping children. Most of these children will come into care with emotional problems related to physical, emotional or sexual abuse, neglect, abandonment or death of their parents or legal caretakers. The loss of family and friends, and familiar places can be extremely traumatic for a child. He may manifest his feelings of loss in many challenging ways. It might be necessary for the foster parent to be an active participant and advocate for the child in school or participate in family counseling. For children with special medical needs, it might require special training. The needs of these children are many.

Monthly informational meetings on foster care are held at the Department of Social Services. For dates and times, please call the Homefinding Unit at 683-3500. If you believe that you can provide care for any of the "special needs children", there will be immediate follow-up as this is the area of greatest need.

**VOLUNTEERS ARE NEEDED** to help out in several areas. A clerical assistant is needed to help with answering the telephone and other office tasks; a storekeeper is needed to operate a small in-facility store, selling items to residents and keeping inventory. For more information on these and other opportunities, contact the Volunteer Services Bureau at 688-8977 or 688-9049, weekdays, 9 a.m.-4 p.m.

**SUMMER FILM SERIES** — The Chapel Hill Public Library will show "Magnificent Ambersons" (1941) on Tuesday and Wednesday evening at 7 p.m., August 11-12, in Library Meeting Room, Boundary Street Entrance. Admission Free.

This film helped add to Orson Welles' cinematic prestige. He produced as well as directed it. Basically the film revolves around a family dynasty, the

magnificent Ambersons, and shows the outcome of such a family as it comes to its end of wealth and power. A despondent note, on which to end the summer season but maybe the fact that Joseph Cotten, Tim Holt, Anne Baxter, Agnes Moorehead and Richard Bennett acted in this one will convince you to come and see our last film of the season.

**EXPEDITION TO EGYPT** — The North Carolina Museum of Life and Science is sponsoring an expedition to Egypt October 11-28, 1981.

The pitched sounds of children playing and merchants bartering in the narrow winding streets of the knan el-Khalili bazaar; the soft, brightly colored fabrics of mid-Eastern garb; aromas of spices in the breeze; and the mesmerizing chants of Moslems at prayer arouse the senses of all who venture there. Climbing to the imposing Citadel perched high above this "City of 1,000 Years," the panoramic view of Cairo welcomes Explorers.

The first stop on tour is the Egyptian Antiquities Museum where the world's greatest collection of mummies, paintings, statues, furniture, and models aids travelers' comprehension of a past culture. Of prime interest are the exquisite golden objects encrusted with gems excavated from the tomb of King Tutankhamun.

The highlight of the tour is the visit to the great Pyramids at Giza and the Sphinx. Fly southward to the famous temples at Abu Simbel. Board a luxurious ship in Aswan and cruise the Nile past the temple ruins of Esna, Edfu and Kom Ombo to Luxor. Visit the Valley of the Kings, The Valley of the Queens and more.

The essence of Egypt is ever present in its antiquities. Join fellow "Explorers" on this exciting expedition into the ancient past. For information, call (919) 477-0431.

**SIXTY OR OVER?** The Retired Senior Volunteer Program needs: a math tutor for two hours a week to instruct a homebound person in preparation for the GED, an accounting advisor to assist with the budget and administration of a non-profit agency in Durham and an office manager assistant to work with a community rehabilitation program.

The RSVP provides travel reimbursement and three types of free insurance. For more information, call Ms. Helen Pressley or Ms. Kathy Walters, 596-9311, extension 321, Durham Technical Institute.
