Squaws

The Durham Chapter of Squaws, Inc. will sponsor the 36th annual Fashion Fair on Monday, November 1, 8 p.m., at the Durham Civic Center complex. Tickets are \$25. For ticket information, contact Rosamund Wilson, 489-1869; LaQuinta Parker, 544-3455; or Rosemary Johnson, 682-5959.

Thrifty Saving

The Thrifty Saving Club celebrated the birthdays of Ms. Barbara Roberts and Mrs. Dora Watson during its most recent meeting at Ms. Roberts' home. "Happy Birthday" was sung to them. A short devotion led by Mrs. Laura Thorpe. The president, Mrs. Beatrice Holeman, presided. The Christmas party will be held in December. Members present were Mesdames Mary Vanhook, Mattie Jones, Lucille Roundtree, Millie Williams, Mildred Gattis, Jessie Reid, Rosetta Smith, Letise Rogers, Christine Sales, Annie L. Alston and Mozelle Gattis. The next meeting will be held Saturday, October 23, 4 p.m., at the home of Mrs. Elizabeth Edwards. Mrs. Sales will be co-hostess.

Little Garden

The Little Garden Club held its regular meeting October 13 in the home of Gardener Annie B. Rogers on Charles Street. Gardener Theresa Dalton presided over the Garden Gate with the club's song and prayer by Gardener Daniel. The president, Gardener Genevieve Rogers, presided as various reports were given and approved. Gardeners Bridgford and Holloway were reported improving in their homes. Fall activities and plans for the Christmas party were discussed. Other members attending were Gardeners Barbara McMorris, Millie L. Williams and Rosa Herron. Gardener Plydene Johnson will host the November meeting in her home at 10 a.m.

Lyon Park

Lyon Park Rose Garden Club held its monthly meeting October 10 at the home of Gardener Marie Bradley. The Garden Gate was opened by Gardener Sadie Chambers. She read a poem, "The Way of Love and the Garden." Gardener Mae Webb, president, presided. Reports were in order and approved. Plans for the Christmas party were finalized. Gardener Minnie Harris gave a brief talk on the care of trees, flowers and plants — when to prune and the danger of too much fertilizer. Gardener Minnie Colough reminded members that this is a good time to plant bulbs for flowering next spring. Members were reminded to send cards to the sick and shut-in. Gardeners Catherine Shaw and Mary Richardson attended after having been ill. Happy Birthday was sung to Gardeners Mattye and Fannie Reed. Other gardeners present were: Louise Jones, Edna Coward, Daisy Mitchell, Willie Bumstead, Dorothy Blakeney, Edna Sneed, Luella King and Maggie Collins. The next meeting will be with Gardener Daisy Mitchell on Cornell Street.

Continental

The Durham Chapter of Continental Societies, Inc. (CSI) recently awarded two persons with Continental service awards. The 1993 "Willie Lovett Continental Community Service Award" was presented to Senator Charles Crump. Continental Lillie Edwards and Delores Plummer presented Nancy Rowland in presenting these awards at the chapter's annual gala scholarship dance held at the Durham Civic Center. The chapter's highest award, "Willie Lovett Continental Community Service Award," recognizes outstanding service not only to the Durham community but to North Carolina and throughout the United States. This award is named in honor of past Continental Guy Willie Lovett. He was the first recipient of this award which has since been renamed in his honor. Senator Lucas accepted her award on behalf of herself and her husband, Bill Lucas. Senator Crump accepted his award on behalf of his staff whom he said deserved the praise and recognition for the outstanding jobs they had done. He is the owner of two McDonald's stores and has provided lunch and drinks for the chapter's annual College Connection Tours. The Durham Chapter of CSI is part of a national non-profit organization founded in March 1979 and structured to foster, promote and develop the welfare of disadvantaged and underprivileged children and youth.

THE HOME GAME

By Virginia Iruax
QUICK HARVEST — The speediest way to dry your garden herbs is in the microwave. Wash the herbs, shake off excess water and place between paper towels in a single layer. Microwave on HIGH for two or three minutes until completely dry. Store in a tightly closed container.
BATHTIME SAVER — Make a bathtime soap mitt out of all those left-over soap scraps. Drop the soap in a child's sock, tie a knot and let your child go at it!
HEAD START — You'll be way ahead next spring if you save this

year's geraniums for next season. Take the pots to the attic or basement before frost, but don't water them. In February, cut off to about an inch above the soil, put in fresh soil and begin watering. By late spring you'll have fine plants.
SWEET POTATO DATA — When you are having mashed or sliced sweet potatoes, boil the potatoes in their jackets. Not only are they easier to work with, but the flavor will be enhanced.
STAIN LIFTER — Chocolate or blood stains can be blotted out quickly by dabbing the stain with hydrogen peroxide. But use only the 3 percent solution for this and always test for color fastness.

October Is Breast Cancer Awareness Month

The fourth Sunday in each month is Health Sunday in the Black Community of Durham. The effort is sanctioned by the Interdenominational Ministerial Alliance of Durham and Vicinity and the Durham Academy of Medicine, Dentistry and Pharmacy's NMA Community Health Coalition Project.

October's health issue is Breast Cancer Awareness. All black women are at risk! One in nine women develop breast cancer, which is curable if detected early enough.

According to Dr. Elaine Hart-Brothers, chairman of the Community Health Coalition Project, "Breast Cancer is a leading cancer killer for both African American and white women. Every woman should perform self-breast examinations monthly and, beginning at age 40, they should get a breast x-ray called a mammogram periodically. In general, African American women have cancer earlier and in more advanced stages. Early detection saves lives."

Project Awareness, National Black Leadership Initiative on Cancer (NBLIC) and the Durham Academy of Medicine, Dentistry and Pharmacy's Community Health Coalition Project are working together to lower the rate of mortality for all women.

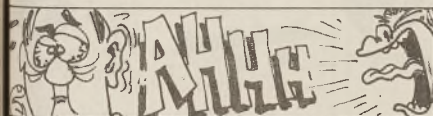

Best companies for working mothers
