exercised by the officers appointed to command them; and their arms and accoutrements inspected by the Colonel accompanied by Majors Freeling and Powell. The company consists principally of young men, the most of whom volunteered. We understand all the company officers in this regiment (with but a few exceptions) made a voluntary tender of their services to command the detachments; and that the Colonel and both the Majors, have some time since written to the Major General, soliciting the command of the Regiment to be detached from the seventh and eleventh Brigades. Whether this honor will be conferred on those patriotic gentlemen is not yet known. It is but justice to add that the promptitude and despatch with which military orders are executed in this Regiment, merit the highest encomium. We likewise learn that the quota required from the 2d Regiment of Rowan, commanded by Col. William Bodenhamer, is furnished, and the returns forwarded to the Brigadier General. Col Bodenhamer and Majors Yarbrough and Goss have volunteered for the command of the Regiment to be detached from the seventh and eleventh Brigades. July 10, 1812.

Books Lost.
DURING the year 1811, three bundles of books were sent by me from this place by way of one directed to Mr. Duponoy, Attorney at Law, Philadelphia, containing the laws of this State, the several volumes of Reports of the State, the order of the Court, and were directed in the care of Mr. Ezra Weeks and Robert McDermut, Booksellers, New York, and contained Cevallo's Philosophy, in 4 vols. and Anacharis's Travels in 4 vols. with a few small vols of Milton's works: all to the care of Mr. Robert Caldwell of Petersburg. As they have not reached their places of destination, it is hoped they may be found in the possession of some one on the road to Petersburg or in that place. Information left with Mr. Robert Caldwell or with me will be thankfully received.

Practice of Physic.
HAVING become a resident of Raleigh, I tender my professional services to the inhabitants of the town and its vicinity. Regularly bred to the practice of Physic and Surgery; and having, for the last two years, been engaged in an extensive business, in the lower part of the state; I feel less hesitation in offering to co-operate with the medical gentlemen of the place, in removing and counteracting the effects of disease. All applications to me are requested to be made; for the present, at Mr. J. Marshall's, on Fayetteville street.

THE ENGLISH STALLION RESTLESS,
WILL stand the present season, (now commenced and to end the 1st August) at my stable in Salisbury, and will be let to mares at 20 dollars the season payable with 16 dollars by the 1st January, 1813: 10 dollars the single leap, to be paid when the mare is covered, with the privilege of turning to the season by the payment of 5 dollars more on receiving the second cover; 40 dollars to ensure a mare to be in foal, which may be discharged with 32 dollars, on or before the 1st January aforesaid.
RESTLESS is a fine bay, full 16 hands high; and not only so, but his blood is equal to any horse ever imported; being the son of the nonion, one of the most celebrated sons of Herod; and out of Dutchess by Le Sang, one of the best racers of her day, having won 23 races in succession, 4 mile and 4 mile heats.
Restless is the only horse in America, and perhaps the only horse now living that ever run four miles in 7 minutes 30 1-2 seconds. This he did for the great subscription at York, on Wednesday the 21st August 1793—see Sporting Magazine for 1794, page 186.
For a more minute account of the pedigree and performance of this wonderful horse, and also for the performance of his colts, reference can be had to my bills.
