Fall Election at Hand

The approaching general election which will be held Tuesday, November 5th for State and county officers is attracting very little attention. The registration books for the city wards and county voting precincts are in the hands of the registrars and will remain open for registering voters for the next few days, closing October 26th. It is the duty of every citizen of voting are not on the registration books for State and county purposes. Putting book in the precinct in which he votes. Many voters in the City of Charlotte are not in the registration books for State and, county purposes. Putting your name on the city registration books avails nothing in the State and county elections. Each jurisdiction is entirely separate and apart from the other. Any person not registered in presidential election in 1916; any person who has moved his precinct since said election; and any person who has become 21 years of age since November, 1916, must register. Below is appended a list showing the names and addresses of all the registrars in the county of Mecklenburg, including the city of Charlotte: Ward 1 Long Creek

INITED WAR WORK CAMPAIG

Gaffney, Oct. 12.—Baring the past 24 hours a copious rain has fallen in the vicinity of Gaffney and the farmers are gatting ready to now wheat. One farmer who rakes everything that he needs at home except sugar and coffee said today that he intended to seed twice as much land in wheat as he did last season if he could hire the labor with which to do so. The selective draft has left him with about one-half enough labor with which to operate his farm, and hands are so scarce that he does not knew where to look. The labor problem in Cherokee county promises to be most serious for next year, many farmers saying that it will be impossible to cultivate their land because labor is so scarce.

PUT UP IN LIQUID FORM G. C. Gamble, of 57 Bay Street. Charleston, S. C., can't praise Ironized Paw-Paw too highly "Why," says he, "only a week ago I was as pale as a piece of bleached muslin. Everything that I ate soured on my stomach. I was belching wind and had all sorts of pain in my stomach after eating: in fact, I was afraid to eat for I had dizzy spells, could not sleep, and was

very nervous.
"I lost 15 pounds in two months.
Someone told me about Ironized Paw-Well, I got a bottle at a drug store and now I can est anything like. I feel as strong as iron itself. I sleep well and can do a good day's work. My advice is to all those who have stomach troubles or are weak and run down to get a bottle of this wonderful digestive and muscle build-Hundreds who have tried Ironized Paw-Paw are praising it just as highly as Mr. Gamble. You begin to feel better the moment you take the

first dose. This reliable tonic, Ironized Paw-Paw, can be had at all drug stores. Formula on every bottle. Mail orders promptly filled. Price \$1.20. On sale and recommended by John
