BRILLIANT DANCE AT MANUFACTURERS' CLUB

Mecklenburg Chapter D. A. R., gives Dance—Colonel and Mrs. Augustus C. Macomb Honor Guests.

The largest and one of the most brilliant military dances of the fall was that given by the Mecklenburg chapter, Daughters of the American Revolution, at the Southern Manufacturers' club last evening from 8:30 to 12 o'clock.

The ball room was beautifully draped with the allied flags. Punch was served from a long table arranged in the north end of the room.

The table was covered with white and festooned with ivy. In the center and at each end were artistic baskets of roses and chrysanthemums.

Many of the members of the chapter received. Colonel Augustus C. Macomb, commanding Camp Greene, and Mrs. Macomb were distinguished guests.

There were two hundred or more guests in attendance. Aside from the young officers from Camp Greene a number of officers and their charming wives were present.

Much of the success of the dance was due to Col. A. L. Smith, president of the Southern Manufacturers' club, and Lieutenant Al Whitney, of Camp Greene.

A feature of the dance was the excellent music furnished by the jazz orchestra, Fourth recruit camp. The members of the orchestra are: Privates Gus Mueller, clarinet and saxophone; Arthur Mathews, cornet; Walter Luck, bass; Thomas J. Kirby, drums, and Oscar Appel, violinist and director.

The boys played all the newest dance music and were enthusiastically applauded, responding to numerous encores. The young ladies invited to the dance included: Miss Adelaide Poore.

LEMON JUICE WHITENS SKIN

Girls! Make beauty lotion at home for few cents

Squeeze the juice of two lemons into a bottle containing three ounces of Orchard White, shake well, and you have a quartet pint of the best bleaching and skin whitening lotion, and complexion beautifier, at very, very small cost.

Your grocer has the lemons and any drug store or toilet counter will supply three ounces of Orchard White for a few cents. Massage this sweetly fragrant lotion into the face, neck, arms and hands each day and see how tan, redness, sallowness, sunburn and windburn disappear and how clear, soft and rosy white the skin becomes. Yes! It is harmless.—Adv. 108

Easy to Make This Pine Cough Remedy

Thousands of families swear by its prompt results. Inexpensive, and saves about \$2.

You know that pine is used in nearly all prescriptions and remedies for coughs. The reason is that pine contains several peculiar elements that have a remarkable effect in soothing and healing the membranes of the throat and chest.

Pine is famous for this purpose. Pine cough syrup is a combination of pine and syrup. The "syrup" part is usually plain granulated sugar syrup. To make the best pine cough remedy that money can buy, put 2 1/2 ounces of Pine in a pint bottle, and fill up with home-made sugar syrup. Or you can use clarified molasses, honey, or corn syrup, instead of sugar syrup.

Either way, you make a full pint—more than you can buy ready-made for three times the money. It is pure, good and very pleasant—children take it eagerly. You can feel this take hold of a cough or cold in a way that means business. The cough may be dry, hoarse and tight, or may be persistently loose from the formation of phlegm. The cause is the same—infamed membranes—and this Pinex and Syrup combination will stop it—usually in 24 hours or less. Splendid, too, for bronchial asthma, hoarseness, or any ordinary throat ailment.

HEAT!

That's what you expect when you put fuel in a stove, isn't it? This "Tip-Top" Oak is about the most economical and effective heater you ever saw. It burns less—gives more. Comes in five sizes. Yours is here.

CHILLS, COLDS, FEVERISHNESS

Black-Draught Is Used by Virginia Lady for Colds, Fever and Other Troubles With Fine Results.

Rocky Mount, Va.—Miss Mae Chittwood, of this place, recently stated: "I have used Black-Draught for colds and stomach trouble and certainly have found it very satisfactory."

"When I would feel bad and feverish, as though I was taking a fresh cold, I would make a good cup of Black-Draught tea and it would soon set me all right."

"I can recommend it as a splendid laxative and gladly do so. You may publish my statement."

When you feel chilly, tired, feverish, headache and fear that you are taking cold, take a good dose of the old reliable, liver medicine you have heard so much about—Theford's Black-Draught. It is made from purely vegetable ingredients, acts in a gentle, natural way, and by helping to drive out poisonous waste matter from your system, it will often, if taken in time, prevent a chill from developing into a cold.

Thousands of people during the past 70 years, have found Black-Draught of benefit in such cases. Try it the next time you chill or sneeze.—Adv. NA22

Washing Won't Rid Head Of Dandruff

The only sure way to get rid of dandruff is to dissolve it, then you destroy it entirely. To do this, get about four ounces of ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips. Do this, tonight and by morning, most if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find, too, that all itching and itching of the scalp will stop at once, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better. You can get liquid arvon at any drug store. It is inexpensive and never fails to do the work.—Adv.
