The President is not satisfied with tative, without either an unreserved expression of confidence on the part of Congress but. I leave it to an unbiased discrin an unreserved expression of confidence on the part of Congress but demands a vote upon the warning of American cuttzens to refrain from using armed vessels of bellicerent countries asking that it be voted down. This shifts to the consciences and convictions of members of Congress a responsibility that the Constitution imposed upon the Executive Having the responsibility that the forestitute in the convictions and not have their died. The ROBERT N. PAGE."

I leave it to an unbiased discriminating public to say whether I was warranted by the above letter in making the statement of which Mr. Page complains. I do not doubt that he was perfectly sincere in writing that letter, or that it truly and correctly set forth his reasons for refusing a re-election to Continuous the convictions and not have their died. The proposed of his district who

casion said "file that is not with me in that letter disqualifies him from making a good Governor. Yet, in with the President. Therefore, according to floty Writ he was against Carolina did not agree with Mr.

I say that his attitude as expressed to so or not, that the coroling for making a good Governor. Yet, in with the President. Therefore, according to floty Writ he was against the Carolina did not agree with Mr.

(Political advised for the property of the people of North Carolina did not agree with Mr.)

It appears were solidly backing the President) "in a time of stress"

A crucial point had been reached in the World War. The President invived on the inalienable right of every American citizen to the "Free dom of the Seas." He wished Congress to back him in this insistence by killing a resolution offered in Congress, warning American citizens to refrain from using armed vessels of belligerent countries. Mr. Page offered a substitute, relegating the entire matter to the Prevident and thereby avoiding an affirmative in glassed as deserters by all loyal and thereby avoiding an affirmative ing classed as deserters by all loyal supporters of the Cause of the Content of the President in his position on this vital question. Rather than back the President in his demands in this the President in his demands in this he all for having taken the position he did in the above quoted etter. To be perfectly frank with you, at that time I concurred in the views appropriate the president of the constituents he answered by him in that literature. nonneed that he would relire from congress at the end of the term he was then serving.

The Master on a memorable oc- I say that his attitude as expressed

has taken exceptions.

I cheerfully testify to the fact tha
Mr. Page is a gentleman of ability
integrity and high standing, which of course, are three essentials for candidate for this high office to pos my endorsement of his views as ex pressed in his letter of retirement would make a popular candidate be fore the people at this time for an office which either of us is capabl of filling However, I assure Mr. Page that whether he wishes me to do so or not, that should he receive the Democratic nomination for Gov ernor he will have no more loys
