Prospectus for 1873.—Sixth Year.

THE ALDINE. in Illustrated Monthly Journal, universally admitted to be the Handsomest Periodical in the World. A Representative and Champion of American Taste.

NOT FOR SALE IN BOOK STORES,

THE ALDINE, which is issued with all the regularity, has none of the temporary or timely interest characteristic of ordinary periodicals. It is an elegant miscellary of pure, light, and graceful literature; and a 5.50 p. m. collection of pictures, the rarest specimens of artistic skill in black and white. Al-Leave Columbia, 11.53 a. m.

Arrive Charlotte, 6.15 p. m.

Standard Time ten minutes slower than Washington City time, and six minutes

Of artistic skill in black and winte. Atthough each succeeding number affords a fresh pleasure to its friends, the real value and beauty of THE ALDINE will be most appreciated after it has been bound up at the close of the year.

While other publications may claim Sundays excepted. Both trains make close | rior cheapness, as compared with rivals of connection to all points North, South and a similar class, THE ALDINE is a unique and original conception—alone and unap-proached—absolutely without competition —alone and unapproached—absolutely without competition in price or character. The possessor of a complete volume can-not duplicate the quantity of fine paper and engravings in any other shape or number of volumes for ten times its cost : and then, there are the chromos, besides!

ART DEPARTMENT.

Notwithstanding the increase in the price of subscription last Fall, when THE ALDINE assumed its proportions and representative charcter, the edition more than doubled during the past year; proving that the American public appreciate, and will support, a sincere effort in the cause of Art. The publishers, anxious to justify the ready confidence thus demonstrated, have exerted themselves to the utmost to develope and improve the work; and the plans for the coming year, as unfolded by the monthly issues, will astonish and delight even the most sanguine friends of THE ALDINE.

The publishers are authorized to announce designs from many of the most eminent artists of America In addition, THE ALDINE will reproduce examples of the best foreign masters, selected with a view to the highest artistic

success, and greatest general interest: avoiding such as have become familiar, through photographs, or copies of any kind.

The quarterly tinted plates, for 1873, will reproduce four of John S. Davis' inimitable child-sketches, appropriate to the four seasons. These plates, appearing in the issues for January, April, July and October, would be alone worth the price of a year's subscription.

The popular features of a copiously illustrated "Christmas" number will be con-

To possess such a valuable epitome of the art world, at a cost so trifling, will command the subscriptions of thousands in every section of the country; but, as the usefulness and attraction of THE ALDINE can be enhanced, in proportion to the numerical increase of its supporters, the publishers propose to make "assurance double sure," by the following unparalleled offer of

PREMIUM CHROMOS FOR 1873.

Every subscriber to THE ALDINE, who pays in advance for the year 1873, will repays in advance for the year 1873, will receive, without additional charge, a pair of beautiful oil chromos, after J. J. Hill, the eminent English painter. The pictures, entitled "The Village Belle," and "Crossing the Moor," are 14x20 inches—are printed from 25 different plates, requiring 25 impressions and tints to perfect each picture. The same chromos, are sold for \$30. ture. The same chromos are sold for \$30 per pair, in the art Stores. As it is the determination of its conductors to keep THE Passenger train leaving Raleigh at 7:45
p. m., connects at Greensboro' with No thern bound train; making the quickest time to all Northern cities. Price of tickets same as via other routes

ALDINE out of the reach of competition in every department, the chromos will be found correspondingly ahead of any that can be offered by other periodicals. Every ets same as via other routes subscriber will receive a certificate, over the signature of the publishers, yuarantee-length of road. Express daily between Company Shops and Charlotte [Sunday excepted.]

All Passenger trains connect at Greensboro' with trains to and from Richmond. Pullman Palace Cars on all night trains between Charlotte and Richmond, (without change.)

S. E. ALLEN, W. H. GREEN. Gen'l Ticket Agent and, considering the unprecendented cheapness of the price for THE ALDINE itself, the marvel fulls little short of a miracle, even to those best acquainted with the achievements of inventive genius and improved mechanical appliances.—

A private Counselor to the Married of those about to marry on the physiological mysteries and revelations of the sexual system, with the latest discoveries in producing and preventing offspring, how to preserve the complexion, &c.

This is an interesting work of two hundred and sixty pages, with numerous engravings, and contains valuable information for those who are married, or contemplate marriage. Still it is a book that ought to be kept ander look and key, and not laid carelessly about the house.

It contains the experience and advice of a physician whose reputation is world-wide, and should be in the private drawer of every male and female throughout the entire globe. It embraces everything on the subject of the generative system that is worth knowing, and much that is not published in any other work.
