Special Notice to the Public.

AS a great many changes have taken place this year, I respectfully beg to inform the citizens of Charlotte and the public in general that no change has taken place at my establishment. I am still at my old stand, No. 24 Tryon Street, David Parks' building, with a large and well selected stock of the finest and latest styles of custom-made clothing for Men, Youths and Boys swear, also on hand a fine stock of Gents' Furnishing Goods, Shirts, of Ballou's make, the best fitting shirt in the world. The very latest styles of Hats, Scarfs, Bows and Ties, Umbrellas, &c., &c., and I will still sell them at prices to defy competition.

I expect to leave for New York City in a short time to lay in my stock of Clothing and Piece Goods, for my Tailoring Establishment and will also bring with me an experienced Cutter and Tailor, and will be ready by Spring to cut and make to order at my own establishment and under my own supervision and at lower prices than the same quality of goods can be made up in this or any other city, this side of Baltimore.

Being thankful to the citizens of Charlotte and the public in general for the liberal patronage heretofore bestowed upon me, I most respectfully ask a continuance of the same. Respectfully,
jan 9 E. SHRIER.

Wittkowsky & Rintels'

CARD
FOR SPRING, 1873.
TO MERCHANTS.

THE great aim of our House, since its establishment, has been to make Charlotte a wholesale Mart, and ours THE HOUSE, and to conduct our business so as to outgrow the alleged and even accepted opinion of some that there is a kind of odium attached to them for buying in Charlotte, and having, by the very great increase of our business, (since we removed to our new and elegant Store,) been convinced that we have partially succeeded in our cherished plan, we have concluded to endeavor to still further eradicate the erroneous idea, by presenting, this coming season to the Trade, a still Larger and better assorted Stock than even we ever offered before, so that Country Merchants will be able to find in our house not only all he needs but a very large stock to select from, thereby being enabled to operate with a much smaller capital than he can by buying in different houses North, where he must necessarily buy more goods than he actually needs in order to have an assortment.

In view of the foregoing, Mr. Rintels left on the 27th January, (much earlier than usual,) for Northern Markets and Manufacturing places, where he will remain two months in making our purchases, buying everything from first hands on the same terms as any Jobbing House in Baltimore, Philadelphia or New York; and our assortment when thus completed will sum up in amount to upwards of Two Hundred Thousand Dollars.

The expenses attached to carrying on a business here being much less than it would be in Northern Cities, and having a lower rate of freight than smaller shippers here, brings the fact patent that we are in a position to successfully compete with any Jobbing House in the United States, and to the inspection of which, we invite the Trade.

We are pleased to state to those unacquainted with our House, that we keep complete lines of Dry Goods, Groceries, Hardware, Clothing, Boots and Shoes, Notions, and even Millinery.

Our Retail Department is complete, with the latest Novelties, and in bulk second to none in the City.

Our Millinery Department will be carried on as usual. Very Respectfully,
WITTKOWSKY & RINTELS.
