Wittkowsky & Rintel's. TO MERCHANTS. THE great aim of our House, since its establishment, has been to make Charlotte a wholesale mart, and ours THE HOUSE, and to conduct our business by its to outgrow the alleged and even accepted opinion of some that there is a kind of monopoly attached to them for buying in Charlotte, and having, by the very great increase of our business, (since we removed to our new and elegant Store) been convinced that we have partially succeeded in our cherished plan, we have concluded to endeavor to still further eradicate the erroneous idea, by presenting this coming season to the Trade, a still larger and better assorted stock than ever we offered before, so that Country Merchants will be able to find in our house not only all the needs that every large stock to select from, they being enabled to operate with a much smaller capital than the man buying in different houses North, where he must necessarily buy more goods than he actually needs in order to have an assortment.
