Dr. Beekwith's Anti-Dyspeptic Pills.

USE THE PREVENTIVE, And you will NOT NEED THE CURE. Read This! You may find Something in which you are PERSONALLY INTERESTED.

YOU have many cares, anxieties and troubles—some real, some imaginary—more produced by want of health than you are aware of. Of all sources of disease, the Stomach is the most fruitful—the gratification of its calls are more absolutely necessary—more expensive—more pleasant—more painful, and more diversified than any other organ in the human system. It is more imposed upon, and more wonderfully adapts itself to its various duties, than any other organ—it has its legitimate duties, against which it rarely rebels; but, for imposition, it will call you to account, and its neighbor, the Liver, almost always suffers with it, and usually shares in the retribution. Have you been an inordinate or imprudent eater or drinker? Then you understand all this—your Stomach and Liver have called you to account, and you want relief. Then read carefully the following, and like a wise man, seek the remedy so much desired, where, others, situated as you are, have found it.

Is Your Health Impaired in Consequence of Unhealthy Digestion of YOUR FOOD?

Hon. BEVERLY TUCKER, late Law Professor of William & Mary College, says: "Fourteen years ago I was left by a most malignant fever, with a diseased Liver, a disordered digestion, and a constitution in ruins. My physicians permitted me hope, that with care and prudence I might have a few years of precarious existence, and asured me that the least indiscretion would be fatal. Two years ago I met your Anti-Dyspeptic Pills, and confiding in the accompanying certificates of responsible gentlemen, whom I happen to know, I took them according to directions. The result is, that I now eat what I please, do what I please, sleep soundly, and enjoy life as much as any man living. For this, it gives me pleasure to say you have my thanks, and to add the assurance of my high regard."
