PLAIN AND FANCY BOOK AND JOB PRINTING.

Dr. Beckwith's Anti-Dyspeptic Pills. USE THE PREVENTIVE. And You will NOT NEED THE CURE.

Read This! You may find Something in which you are PERSONALLY INTERESTED.

YOU have many cares, anxieties and troubles—some real, some imaginary—more produced by want of health than you are aware of.

Of all sources of disease, the Stomach is the most fruitful—the gratification of its calls are more absolutely necessary—more expensive—more pleasant—more painful, and more diversified than any other organ in the human system.

It is more imposed upon, and more wonderfully adapts itself to its various duties, than any other organ—it has its legitimate duties, against which it rarely rebels; but, for imposition, it will call you to account, and its neighbor, the Liver, almost always suffers with it, and usually shares in the retribution.

Have you been an inordinate or imprudent eater or drinker? Then you understand all this—your Stomach and Liver have called you to account, and you want relief.

Then read carefully the following, and like a wise man, seek the relief you so much desire, where, others, situated as you are, have found it.

Is Your Health Impaired in Consequence of Unhealthy Digestion of YOUR FOOD?

Hon. BEVERLY TUCKER, late Law Professor of William & Mary College, says: "Fourteen years ago I was left by a most malignant fever, with a diseased Liver, a disordered Digestion, and a constitution in ruins. My physicians permitted me hope, that with care and prudence I might have a few years of precarious existence, and assured me that the least indiscretion would be fatal. Two years ago I met your Anti-Dyspeptic Pills, and confiding in the accompanying certificates of responsible gentlemen, whom I happen to know, I took them according to directions. The result is, that I now eat what I please, do what I please, sleep soundly, and enjoy life as much as any man living. For this, it gives me pleasure to say you have my thanks, and to add the assurance of my high regard."

Wittkowsky & Rintel's CARD FOR SPRING 1873. TO MERCHANTS.

THE great aim of our House, since its establishment, has been to make Charlotte a wholesale Mart, and our THE HOUSE, and to conduct our business so as to outgrow the alleged and even accepted opinion of some that there is a kind of obliquity attached to them for buying in Charlotte; and having, by the very great increase of our business, (since we removed to our new and elegant store) been convinced that we have partially succeeded in our cherished plan, we have concluded to endeavor to still further eradicate the erroneous idea, by presenting, this coming season to the Trade, a still larger and better assorted Stock than even we ever offered before, so that Country Merchants will be able to find in our house not only all he needs but a very large stock to select from; thereby being enabled to operate with a much smaller capital than he can by buying in different houses North, where he must necessarily buy more goods than he actually needs in order to have an assortment.

In view of the foregoing, Mr. Rintel left on the 27th January, (much earlier than usual) for Northern Markets and Manufacturing places, where he will remain two months in making our purchases, buying everything from first hands on the same terms as any Jobbing House in Baltimore, Philadelphia or New York; and the assortment when thus completed will foot up in amount to upwards of Two Hundred Thousand Dollars.

The expenses attached to carrying on a business here being much less than it would be in Northern Cities, and having a lower rate of freight than smaller shippers here, brings the fact patent that, we are in a position to successfully compete with any Jobbing House in the United States, and to the inspection of which we invite the Trade.

We are pleased to state to those unacquainted with our House, that we keep complete lines of Dry Goods, Groceries, Hardware, Clothing, Boots and Shoes, Notions, and even Millinery.

Our Retail Department is complete, with the latest Novelties, and in bulk second to none in the City.

Our Millinery Department will be carried on as usual. Very Respectfully, WITTKOWSKY & RINTELS. Feb 5-tf

All bills are due and payable on the 1st day of each and every month. GRIER & ALEXANDER. Jan 1, 1873, 1y
