**Dr. Beckwith's Anti-Dyspeptic Pills.**  
**USE THE PREVENTIVE,**  
And You will NOT NEED THE CURE.  
Read This! You may find Something in which you are PERSONALLY INTERESTED.  
YOU have many cares, anxieties and troubles—some real, some imaginary—more produced by want of health than you are aware of. Of all sources of disease, the Stomach is the most fruitful—the prolific source of its calls are more absolutely necessary—more expensive—more pleasant—more painful, and more diversified than any other organ in the human system. It is more imposed upon, and more wonderfully sensitive to its various duties, than any other organ—it has its legitimate duties, against which it rarely rebels; but, for imposition, it will call you to account, and its neighbor, the Liver, almost always suffers with it, and usually shares in the retribution. Have you been an indolent or imprudent eater or drinker? Then you understand all this—your Stomach and Liver have called you to account, and you want relief. Then read carefully the following, and like a wise man, seek the relief you so much desire, where, others, situated as you are, have found it.  
Is Your Health Impaired in Consequence of Unhealthy Digestion of YOUR FOOD?  
**Hon. BEVERLY TUCKER, late Law Professor of William & Mary College, says:**  
"Fourteen years ago I was left by a most malignant fever, with a diseased Liver, a disordered digestion, and a constitution in ruins. My physicians permitted me hope, that with care and prudence I might have a few years of precarious existence, and as I had seen that the least indiscretion would be fatal. Two years ago I met your Anti-Dyspeptic Pills, and confiding in the accompanying certificates of responsible gentlemen, whom I happen to know, I took them according to directions. The result is, that I now eat what I please, do what I please, sleep soundly, and enjoy life as much as any man living. For this, it gives me pleasure to say you have my thanks, and to add the assurance of my high regard."

THE great aim of our House, since its establishment, has been to make Charlotte a wholesale Mart, and ours THE HOUSE, and to conduct our business so as to outgrow the alleged and even accepted opinion of some that there is a kind of monopoly attached to them for buying in Charlotte; and having, by the very great increase of our business, (since we removed to our new and elegant Store,) been convinced that we have partially succeeded in our cherished plan, we have concluded to endeavor to still further eradicate the erroneous idea, by presenting, this coming season to the Trade, a still larger and better assorted Stock than ever before offered before, so that Country Merchants will be able to find in our house not only all he needs but a very large stock to select from; thereby being enabled to operate with a much smaller capital than he can by buying in different houses North, where he must necessarily buy more goods than he actually needs in order to have an assortment.
