OUR LIVING AND OUR DEAD;
OR,
Testimony From the Battle-Fields.

Under the above title I propose to pub-
lish first in newspaper, and subsequently
in book form, a series of articles giving the
war record of North Carolina from the
election of Lincoln in Nov., 1860, to the
close of the war between the States in May
1865. My plan embraces three divisions:
1st. Accounts of each skirmish and bat-
tle on the soil, or upon the waters of North
Carolina.
2nd. Accounts of every battle fought
during the war on the soil of any State, in
which any of the troops of North Carolina
took part—special care being taken to
show which of our troops did and suffered
in each of those battles, and what glory
and renown our officers and men fairly won.
3rd. "A Southern Chart for all time."
An explanation of the third division of
the proposed plan will be submitted at a
later day.

That I may accomplish this arduous, but
pleasing self-imposed work, I invoke the
aid of all my brother soldiers, and ask
them to furnish me material which can be
arranged and digested so as to form a com-
plete record of the heroic deeds of the sons
of North Carolina upon the battle-fields of
the Confederacy; and especially to ask all
who can write to furnish me details of ev-
ery battle in which they participated, and
the part borne by their immediate com-
mands.

The time may not have come to write
this portion of North Carolina's History;
but it has come to collect material and ar-
range it for the use of the future historian.
The living actors will soon pass away, and
much valuable information, unless gathered
and put in type before they are lost forever.
After waiting for several years for some
one more competent to undertake the task,
I have determined to devote the remaining
years of my life to this labor of love. I
yield to none in love for my native State,
or in admiration for the gallant men who
have shed imperishable glory upon her.

I prefer to give these accounts first in
newspaper form, in order that omissions
and errors, if any occur, may be pointed
out and corrected before the work shall
pass into more enduring form which it will
assume, should it prove what I desire to
make it, a valuable acquisition to the war
record of the South.

Several prominent actors in the war have
already promised their co-operation, and
the valuable aid of their pens to lessen my
labors and to make the work complete, and
I hope to enlist an army of valuable aid
of their pens to lessen my labors and to
make the work complete, and I hope to
enlist an army of valuable co-laborers in
the good cause as readily as did North
Carolina enlist her sons to fight the battles
of the "Lost Cause."

General officers from other States, who
commanded North Carolina troops, are re-
spectfully asked to give me all the infor-
mation in their possession, relative to the
conduct and bearing of those troops.

In endeavoring to do justice to the sol-
diers of my native State, I certainly shall
most carefully abstain from doing injus-
tice to those from any other State.
My brethren of the press will confer a
favor by giving the whole, or such part of
this Prospect as they may deem proper,
one or more insertions, calling attention
thereto.

ROCKBRIDGE ALUM SPRINGS,
VIRGINIA.
Open June 1st, 1873.

THIS favorite and celebrated Watering
Place will offer additional attractions
this season. It possesses a magnificent
Ball Room, fine Billiard Room, Bowling
Alley for ladies and for gentlemen, and a
superb Croquet Ground. It will be kept
in a style not surpassed anywhere in Vir-
ginia.
The waters of these special Springs either
cure or greatly relieve most cases of Scrofu-
la, insipid Consumption, chronic Bron-
chitis, chronic Laryngitis, chronic Pneu-
monia, chronic Dyspepsia, chronic Diar-
rhea, chronic Dysentery. They are also
a great value in those affections which are
peculiar to the female constitution, and
as an appetizer, a tonic and a general re-
storative, they are, perhaps, unrivalled
amongst mineral waters. The Proprietor
has provided for the lawn and ball room
a first-class band of music, and in general
all the sources of amusement and recrea-
tion usually found at our best summer re-
sorts will be at the command of the guests
at "ROCKBRIDGE ALUM." The place is
situated from eleven to thirteen hours of
Richmond, Washington, Baltimore, etc.,
by rail, all in daylight. Passengers leave
the cars of the Chesapeake and Ohio Rail-
road at Goshen Depot, and new and elegant
stage coaches, passing rapidly over a
smooth and level road of only eight miles,
set down the visitors at the Springs to tea.
