OUR LIVING AND OUR DEAD; Testimony From the Battle-Fields.

Under the above title I propose to publish first in newspaper, and subsequently in book form, a series of articles giving the war record of North Carolina from the election of Lincoln in Nov., 1860, to the close of the war between the States in May 1865.

1st. Accounts of each skirmish and battle on the soil, or upon the waters of North Carolina.

2nd. Accounts of every battle fought during the war on the soil of any State, in which any of the troops of North Carolina took part—special care being taken to show what the troops did and suffered in each of those battles, and what glory and renown our officers and men fairly won.

3rd. "A Southern Chart for all time." An explanation of the third division of the proposed plan will be submitted at a later day.

That I may accomplish this arduous, but pleasing self-imposed work, I invoke the aid of all my brother soldiers, and ask them to furnish me material which can be arranged and digested so as to form a complete record of the heroic deeds of the sons of North Carolina upon the battle fields of the Confederacy; and especially to ask all who can write to furnish me details of every battle in which they participated, and the part borne by their immediate commands.

The time may not have come to write this portion of North Carolina's History; but it has come to collect material and arrange it for the use of the future historian. The living actors will soon pass away, and such valuable information, unless gathered now, will be lost forever.

I have determined to devote the remaining years of my life to this labor of love. I yield to none in love for my native State, or in admiration for the gallant men who have shed imperishable glory upon her.

I prefer to give these accounts first in newspaper form, in order that omissions and errors, if any occur, may be pointed out and corrected before the work shall pass into more enduring form which it will assume, should it prove what I desire to make it a valuable acquisition to the war record of the South.

Several prominent actors in the war have already promised their co-operation and the valuable aid of their pens to lessen my labors and to make the work complete, and I hope to enlist an army of valuable co-laborers in the good cause as readily as did North Carolina enlist her sons to fight the battles of the "Lost Cause."

General officers from other States, who commanded North Carolina troops, are respectfully asked to give me all the information in their possession, relative to the conduct and bearing of those troops.

In endeavoring to do justice to the soldiers of my native State, I certainly shall most carefully abstain from doing injustice to those from any other.

My brethren of the press will confer a favor by giving the whole, or such part of it as they may deem proper, one or more insertions, calling attention thereto.

Address "Our Living and our Dead," Newbern, N. C. The first number will be issued about the 10th of June. Subscription price \$2 per year in advance.

ROCKBRIDGE ALUM SPRINGS, VIRGINIA, Open June 1st, 1873.

THIS favorite and celebrated Watering Place will offer additional attractions this season. It possesses a magnificent Ball Room, fine Billiard Rooms, Bowling Alley for ladies and for gentlemen, and a superb Croquet Ground. It will be kept in a style not surpassed anywhere in Virginia.

The waters of these special Springs either cure or greatly relieve most cases of Scrofula, insipid Consumption, chronic Bronchitis, chronic Laryngitis, chronic Pneumonia, chronic Dyspepsia, chronic Diarrhoea, chronic Dysentery. They are also a great value in those affections which are peculiar to the female constitution, and as an appetizer, a tonic and a general restorative, they are, perhaps, unrivaled amongst mineral waters.

The Proprietor has provided for the lawn and ball room a first-class band of music, and in general all the sources of amusement and recreation usually found at our best summer resorts will be at the command of the guests at "ROCKBRIDGE ALUM." The place is within from eleven to thirteen hours of Richmond, Washington, Baltimore, etc., by rail, all in daylight. Passengers leave the cars of the Chesapeake and Ohio Railroad at Goshen Depot, and new and elegant stage coaches, passing rapidly over a smooth and level road of only eight miles, set down the visitors at the Springs to tea.
