Dr. Greene, Lindley & Bentley's
GREAT FAMILY MEDICINE,
PREPARED expressly for, and adopted
to the Southern climate.
"COMPOUND EXTRACT CORTAD-
IS" is the most powerful, and efficient al-
terative and blood-purifier known, pre-
pared expressly for Scrofula, Secondary
Syphilis, Eruptions on the Skin, and all
diseases which are produced by bad or un-
healthy blood.
"DR. GREENE'S FIT CURE" cures
all kinds of Fits, Spasms and Convulsions
which arise from irritation of the nerve
centers. In Epilepsy it often stops the fits
from the first day's use, even where they
have existed for years.
"MEDICATED HONEY" The great
remedy for Asthma, Bronchitis, Coughs,
Croup, Sore Throat and all diseases
of the air passages and lungs. It does not
sicken the patient, is pleasant to take,
prompt in its action, does not injure the
appetite or impair digestion as most ex-
pectorants do.
Our NEURALGIA SPECIFIC is a per-
fect specific for Neuralgia, Sciatica, Rheu-
matism, and all muscular or nervous pains
wherever situated.
These medicines are prepared with great
care, from perfectly reliable drugs, and
for the special classes of diseases named
on each bottle. No one of them is claim-
ed as a "cure all." They are identical
the same that we have used in our private
practice for years, and is thus recom-
mending them to the public we know whereof
we affirm. They are safe, reliable and
efficient, acting quickly and thoroughly.
Try them and you will want no others.
Ask your druggist for them.
For sale by druggists generally. Pre-
pared only by

OUR LIVING AND OUR DEAD;
OR,
Testimony From the Battle-Fields.
Under the above title I propose to pub-
lish first in newspaper, and subsequently
in book form, a series of articles giving the
war record of North Carolina from the
election of Lincoln in Nov., 1860, to the
close of the war between the States in May
1865. My plan embraces three divisions:
1st, Accounts of each skirmish and bat-
tle on the soil, or upon the waters of North
Carolina.
2nd, Accounts of every battle fought
during the war on the soil of any State, in
which any of the troops of North Carolina
took part—special care being taken to
show what those troops did and suffered
in each of those battles, and what glory
and renown our officers and men fairly won.
3rd, "A Southern Chart for all time."
An explanation of the third division of
the proposed plan will be submitted at a
later day.
That I may accomplish this arduous, but
pleasing self-imposed work, I invoke the
aid of all my brother soldiers, and ask
them to furnish me material which can be
arranged and digested so as to form a com-
plete record of the heroic deeds of the sons
of North Carolina upon the battle fields of
the Confederacy; and especially do ask all
who can write to furnish me details of every
battle in which they participated, and the
part borne by their immediate com-
mands.
The time may not have come to write
this portion of North Carolina's History;
but it has come to collect material and ar-
range it for the use of the future historian.
The living actors will soon pass away, and
much valuable information, unless gath-
ered now, will be lost forever. Hence,
after waiting for several years for some
one more competent to undertake the task,
I have determined to devote the remaining
years of my life to this labor of love. I
yield to none in love for my native State,
or in admiration for the gallant men who
have shed imperishable glory upon her.
I prefer to give these accounts first in
newspaper form, in order that omissions
and errors, if any occur, may be pointed
out and corrected before the work shall
pass into more enduring form which it will
assume, should it prove what I desire to
make it, a valuable acquisition to the war
record of the South.
Several prominent actors in the war have
already promised their co-operation and the
valuable aid of their pens to lessen my
labors and to make the work complete, and
I hope to enlist an army of valuable
aid of their pens to lessen my labors and
to make the work complete, and I hope to
enlist an army of valuable co-laborers in
the good cause as readily as did North
Carolina enlist her sons to fight the battles
of the "Lost Cause."
General officers from other States, who
commanded North Carolina troops, are re-
spectfully asked to give me all the infor-
mation in their possession, relative to the
conduct and bearing of those troops.
In endeavoring to do justice to the sol-
diers of my native State, I certainly shall
most carefully abstain from doing injus-
tice to those from any other.
