GREAT FAMILY MEDICINES.

PREPARED expressly for, and adopted to the Southern climate.

"COMPOUND EXTRACT CORYDALIS" is the most powerful, and efficient alterative and blood-purifier known, prepared expressly for Scrofula, Secondary Syphilis, Eruptions on the Skin, and all diseases which are produced by bad or unhealthful blood.

"GREENE'S FIT CURE" cures all kinds of Fits, Spasms and Convulsions which arise from irritation of the nerve centers. In Epilepsy it often stops the fits from the first day's use, even where they have existed for years.

"MEDICATED HONEY" The great remedy for Asthma, Bronchitis, Coughs, Croup, Sore Throat and all diseases of the air passages and lungs. It does not sicken the patient, is pleasant to take, prompt in its action, does not injure the appetite or impair digestion as most expectorants do.

Our "NEURALGIA SPECIFIC" is a perfect specific for Neuralgia, Sciatica, Rheumatism, and all muscular or nervous pains wherever situated.

These medicines are prepared with great care, from perfectly reliable drugs, and for the special classes of diseases named on each bottle. No one of them is claimed as a "cure all." They are identical in the same that we have used in our private practice for years, and in thus recommending them to the public we know whereof we affirm. They are safe, reliable and efficient, acting quickly and thoroughly. Try them and you will want no others. Ask your druggist for them.

For sale by druggists generally. Prepared only by

OUR LIVING AND OUR DEAD;
OR,
Testimony From the Battle-Fields.

Under the above title I propose to publish first in newspaper, and subsequently in book form, a series of articles giving the war record of North Carolina from the election of Lincoln in Nov., 1860, to the close of the war between the States in May 1865. My plan embraces three divisions: 1st. Accounts of each skirmish and battle on the soil, or upon the waters of North Carolina.

2nd. Accounts of every battle fought during the war on the soil of any State, in which any of the troops of North Carolina took part—special care being taken to show what those troops did and suffered in each of those battles, and what glory and renown our officers and men fairly won.

3rd. "A Southern Chart for all time." An explanation of the third division of the proposed plan will be submitted at a later day.

That I may accomplish this arduous, but pleasing self-imposed work, I invoke the aid of all my brother soldiers, and ask them to furnish me material which can be arranged and digested so as to form a complete record of the heroic deeds of the sons of North Carolina upon the battle fields of the Confederacy; and especially to ask all who can write to furnish me details of every battle in which they participated, and the part borne by their immediate commands.

The time may not have come to write this portion of North Carolina's History; but it has come to collect material and arrange it for the use of the future historian. The living actors will soon pass away, and much valuable information, unless gathered now, will be lost forever. Hence, after waiting for several years for some one more competent to undertake the task, I have determined to devote the remaining years of my life to this labor of love. I wish to record the love for my native State, or in admiration for the gallant men who have shed imperishable glory upon her.

I prefer to give these accounts first in newspaper form, in order that omissions and errors, if any occur, may be pointed out and corrected before the work shall pass into more enduring form which it will assume, should it prove what I desire to make it, a valuable acquisition to the war record of the South.

Several prominent actors in the war have already promised their co-operation and the valuable aid of their pens to lessen my labors and to make the work complete, and I hope to enlist an army of valuable co-laborers in the good cause as readily as did North Carolina enlist her sons to fight the battles of the "Lost Cause."

General officers from other States, who commanded North Carolina troops, are respectfully asked to give me all the information in their possession, relative to the conduct and bearing of those troops.

In endeavoring to do justice to the soldiers of my native State, I certainly shall pass carefully and abstain from doing injustice to those from any other.

My brethren of the press will confer a favor by giving the whole, or such part of this Prospectus as they may deem proper, one or more insertions, calling attention thereto.

Address "Our Living and our Dead," Newbern, N. C.

The first number will be issued about the 10th of June. Subscription price \$2 per year in advance.
