MESSRS. CLYMER BROTHERS. The great success you are meeting with in the sale of your "Farmer" cooking stove in our county, surprises every one who does not know its superiority over all other stoves. We feel it our duty as citizens of this section, and also due to yourselves and the public, to let it be known that we have purchased your stoves, and after a thorough test find them the most excellent cooking stoves, both in material and construction, we have ever used. We endorse all that can be said in their praise, and wish you the same success everywhere you go that you have had here.
