HEALTH! BEAUTY!! STRONG AND PURE BLOOD—INCREASE OF ENERGY—GREATLY IMPROVED SKIN AND BEAUTIFUL COMPLEXION SECURED. ALL.

DR. RADWAY'S Sarsaparillian Resolvent THE GREAT BLOOD PURIFIER. HAS MADE THE MOST ASTONISHING CURES: SO QUICK AS TO BE CALLED THE GREAT BLOOD PURIFIER. THE BODY UNDERGOES, UNDER THE INFLUENCE OF THIS TRULY WONDERFUL MEDICINE, GREAT

Every Day an Increase in Flesh and Weight is Seen and Felt.

Every drop of the SARSAPARILLIAN RESOLVENT communicates through the blood, sweat, urine, and other fluids and juices of the system the vigor of life, for it repairs the wastes of the body with new and sound material. Scrofula, Syphilis, Consumption, glandular disease, Ulcers in the throat, Mouth, Tumors, Nodes in the Glands and other parts of the body, Sore Eyes, Strumous discharges from the Ears and the worst forms of Skin diseases, Eruptions, Fever Sores, Scald Head, Ring Worm, Salt Rheum, Eczema, Acne, Black Spots, Worms in the Flesh, Tumors, Cancer in the Breast, Cervix, and other parts of the body, prove to any person using it for either of these forms of disease, that it is potent power to cure them.

If the patient, daily becoming reduced by the wastes and decomposition that is continually progressing, succeeds in arresting these wastes, and repairs the same with new material made from healthy blood—and this the Sarsaparillian Resolvent does—then the result is certain; for when once this remedy commences its work of purification, and succeeds in diminishing the amount of wastes, it repairs will be rapid, and every day the patient will feel himself growing better and stronger, his food digesting better, appetite improving, and flesh and weight increasing.

Not only does the SARSAPARILLIAN RESOLVENT effect all kinds of diseases, but it does so in a safe, healthy, and certain; for when once this remedy commences its work of purification, and succeeds in diminishing the amount of wastes, it repairs will be rapid, and every day the patient will feel himself growing better and stronger, his food digesting better, appetite improving, and flesh and weight increasing.
