AMERICAN STAR

LEATHER PRESERVATIVE COMPANY.

The attention of the public is requested to the American Star Leather Cleaner and Dresser for Boots, Shoes, Harness and everything in the way of Leather exposed to mud, water or otherwise. It is tasily applied, saves time and labor, and is from twenty-five to fifty per cent. cheaper than any other preparation now in use. It renders the Leather soft, pliable, waterproof and refreshed. One application cleans oils, blackens and lifts off all foreign matter; then the preparation sinks in, giving it a neat, leathery finish. The first premium was awarded it at the American In-Stitute Fair, New York, 1873, also at the SON & CO. Portland Maine. Maryland Institute Fair, Baltimore, 1873. If oil alone is used on Leather, the oxygen of the air has an affinity for the same, weakening the fibres, thereby rottening it. Our Article is composed of such ingredients that while retaining all the virtues of the best oils used in refreshing Leather, it is not affected by water, weather or oxy-
