

UNDER THE TRELLIS.

BY KATE PUTNAM OSGOOD.

Under the trellis, to and fro, Walking and talking, go two together, Over their heads the branches blow, Under their feet the grasses grow, In the sweet season of springtime weather.

Under the trellis, to and fro, Whispering close, go two together, Tremulous, misty, long and low, The meadows loom through the sunset glow, In the hot prime of the summer weather.

Under the trellis, to and fro, Silently pacing, go two together, Over the yellowing poplar row, The harvest moon comes large and slow— The wandering ghost of the Autumn weather.

Under the trellis, to and fro, Hand in hand, go two together, Thick is the air with threatening snow; Chill winds wearily come and go, Telling the tale of winter weather.

Little of season or scene they know, Under the trellis, the two together, April glimmer or autumn glow, Sultry August or winter snow, For lovers it always is summer weather.

JAMMING A SENATOR.

Senator Roan's train that was wrecked early the other morning near New Brunswick, N. J. He was jammed up in one of the sleeping cars, and had to be cut out of his inconvenient position. He was somewhat bruised, but was able to walk on reaching New York city. The Senator was on his way home to attend the funeral of his father at Utica.

CONGRESS.

The Bankrupt Bill Passes the Senate.

WASHINGTON, February 10.—Senator Mr. Gordon introduced a bill to relieve the political disabilities of Raphael Semmes, of Alabama.

The Senate then resumed the consideration of the Bankrupt bill, the pending amendment being that of Mr. Merrimon giving to the State Courts the same power as Federal Courts in executing the bankrupt law, which was rejected.

Mr. Johnson (Va.) offered an amendment providing that notices of all sales made by an assignee should be published in the newspaper having the largest circulation in the county where such sale was to be made. Rejected.

Mr. Edmonds moved to fill the blank in section 2, in relation to composition with creditors, so as to provide that an arrangement for settlement between creditors and debtors, in order to be valid, shall receive the signatures of two-thirds of the number of creditors representing one-half the value of debts. Agreed to.

Mr. Thurman moved to fill the blank as to the time when the provision of the 39th section, as amended by the committee, shall take effect by inserting the first day of Dec. 1873, so that that section shall apply to all cases of compulsory or involuntary bankruptcy commenced since that date. Agreed to.

Mr. Sumner offered an amendment to the 21st section of the original act, as follows: "But a creditor proving his debt claim shall not be held to have waived his right of action or suit against the bankrupt, where a discharge has been refused or the proceedings have been determined, without a discharge."

The bill having been considered in the Senate, as Committee of the Whole, was then reported to the Senate, and the amendments incorporated in.

Mr. Johnson modified his amendment, previously offered, to read as follows: "All notices of sale under this act, by any assignee or officer of the court, shall be published in the newspaper or newspapers, to be designated by the Judge, which, in his opinion, shall be best calculated to give general notice of the sale." Agreed to.

The bill passed—yeas 43; nays 16. It goes to the House for concurrence.

The Lynchburg Defaulter Caught—The Case of Coleman.

RICHMOND, February 10.—Henry, the defaulting clerk in the Lynchburg internal revenue office, has been arrested at Kanawha Falls, West Virginia. Notwithstanding the statement of the special agent at Lynchburg that the defalcation only amounts to \$3,500, a dispatch from the Sheriff of Kanawha states that \$14,219 were found on Henry's person. The prisoner will be returned to Lynchburg for trial.

W. D. Coleman, who attempted his life yesterday up on being arrested for embezzling bonds of the State sinking fund, will be examined Thursday, his condition being such as to confine him to his room. The amount of the embezzlement is not known, but a full investigation will be had at once.

LONDON, Feb. 10.—It is rumored that a reconciliation has been effected between Disraeli and the Marquis of Salisbury, and that the Marquis and Earl have consented to assist Disraeli to form his Ministry.

MADRID, Feb. 10.—The Imparcia says the Government has agreed to an exchange of prisoners with the Carlists.

VIENNA, Feb. 10.—The Veterland newspaper, of this city, has been suppressed and its office and material confiscated.

NORTHERNERS AT THE SOUTH.—The Springfield (Mass.) Republican concludes an editorial under the above head, as follows:

We have no right to be surprised that the Southerners don't love us any better; the wonder is that they don't hate us ten times worse. We out fought them, reduced them from wealth to poverty, quartered the scum of our population on them, enfranchised their ex-slaves, disfranchised their statesmen. We have since done a part of our work, it is true, and are now willing and anxious to do more. However the case may stand with the politicians who cling to war memories and passions as their only stock in trade, the people of the North, as a mass, have nothing for the people of the South but a hearty good will—wish them nothing worse than to be well out of the clutches of the carpet-baggers and on the high road of prosperity. It is not strange, however, all things considered, that the Southerners should be a little slow in believing in this good will and good feeling.

IMMIGRATION CONVENTION, MARCH 17th.—Arrangements have already been made with the Raleigh and Gaston and with the Raleigh and Augusta Air-line railroads, to carry passengers to and from this city at half price on occasion of the celebration of St. Patrick's day. Persons residing along these lines will therefore remember that they can come to Raleigh, and return home for one fare for the round trip. Applications has also been made to the other railroads within the State to make a similar reduction in their prices on the above occasion. No doubt our hotels and boarding houses will also reduce their rates. There will be a large attendance from all parts. Our people are manifesting a lively interest in this movement, and we expect to see Raleigh crowded with people who sympathize in the cause of immigration. We welcome the immigrant. Let him come! Let him come!—Raleigh Examiner.

Miss Fanny U. Roberts, a Universalist preacher, was ordained to the ministry at Kittery, Me., on Friday evening last.

The most Unhappy Person in the world is the Dyspeptic. It is a terrible disease and gloomy. It is "out of sorts" with himself and everybody else. Life is a burden to him. This can all be changed by taking Peruvian Syrup (a protoxide of iron). Cases of 27 years' standing have been cured by it.

Seeing is Believing. If in this liberal age there are persons to be found who are so blinded by prejudice as not to believe that a medicated stimulant is an item of immense importance in the catalogue of human remedies we should like them to witness the wonderful effects which Hostetter's Stomach Bitters are now producing all over the country in cases of intermittent fever, rheumatism, bilious disorders, dyspepsia, nervous complaints, constitutional debility, mental depression and premature decay.

It is not to be wondered at that the great vegetable invigorant and its cures have been before the people for more than twenty-five years, and in every year of the twenty-five its popularity has increased, and its sale has become larger. Yet there are, no doubt, many thousands of intelligent citizens who have never had an opportunity of observing for themselves the surprising changes which this unequalled tonic and alternative produces in systems which seem to be hopelessly broken, and in cases of disease which are not amenable to ordinary remedies.

Probable many of these regard the statements made in relation to the sanitary properties of the Bitters with some degree of incredulity. We wish that all such skeptics could see with their own eyes what the medicine is doing for the sick and feeble everywhere, what a staff of life it is proving to the aged and infirm, what a help in time of trouble to feeble women suffering from complaints which are peculiar to the sex, what a protection to health and life in malarious districts, what a panacea for languor and depression, what a specific for all diseases in which the system requires to be vitalized and sustained. Of all stimulants it is the purest and safest, of all tonics the most gentle, effective and agreeable, of all alteratives the least violent, and the most certain in its beneficial results.

Iron in the Blood

PERUVIAN IRON TONIC SYRUP

MAKES THE WEAK STRONG.

The Peruvian Syrup, a Protected Solution of the Protoxide of Iron, is so combined as to have the character of an aliment, and is easily digested and assimilated with the blood as the simplest food. It increases the quantity of Nature's Own Vitalizing Agent, Iron in the blood, and cures "a thousand ills," simply by Toning up, Invigorating and Vitalizing the System. The enriched and vitalized blood permeates every part of the body, repairing damages and waste, searching out morbid secretions, and leaving nothing for disease to feed upon.

This is the secret of the wonderful success of this remedy in curing Dyspepsia, Liver Complaint, Dropsy, Chronic Diarrhea, Bolls, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vigor, Diseases of the Kidneys and Bladder, Female Complaints, and all diseases originating in a bad state of the blood, or accompanied by debility or a low state of the system. Being free from Alcohol, in any form, its energizing effects are not followed by corresponding reaction, but are permanent, infusing strength, vigor, and new life into all parts of the system, and building up an Iron Constitution.

Thousands have been changed by the use of this remedy, from weak, sickly, suffering creatures, to strong, healthy, and happy men and women; and invalids cannot reasonably hesitate to give it a trial.

See that each bottle has PERUVIAN SYRUP blown in the glass. Pamphlets Free.

THE SUBSCRIBERS HAVE THIS day sold their entire stock, consisting of Liquors, Tobacco and General Merchandise to W. J. Black, and take pleasure in commending him to their late customers and friends as in every way worthy of their patronage, and trust they will transfer the same to him.

W. H. H. HOUSTON & CO. Charlotte, N. C., Jan. 6, 1874.

WALKER'S CALIFORNIA VINEGAR BITTERS

WALKER'S CALIFORNIA VINEGAR BITTERS

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with WALKER'S BITTERS. No epidemic can take hold of a system thus fortified.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offspring of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Scurvy, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Gout, Rheumatism, Inflammation, Indigestion, Inflammation, Measles, Affections of the Spleen, Eruptions of the Skin, Sore Eyes, &c. In all these, as in all other constitutional diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters, and others, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Tetter, Scald-Head, Itch, Pimples, Ringworms, Ringworms, Scald-head, Sore Eyes, Erysipelas, Itch, Scars, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are liberally dug up and carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuges, no anthelmintics will free the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of menstruation, or the turn of life, these Bitters display so decided an influence that improvement is soon perceptible.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.
