Bald Mountain .- Jos. H. Carson, Esq. who is just from his home, in Rutherfordon, gives ne some facts concerning Ball Mountain. He says there has been no serious commotion in the mountain since last Tuesday. On that day the rumbling was very greate, and there was much fear among the people. The mountain heaved and trembled to an alarming degree, and an eruption was momentarily looked fot by the people living around it.

Mr. Carson says the quivering is felt sen-sibly at Rutherfordton, and has been for some time past. It has been more quiet, hough, since Tuesday, and the sensation This is the latest intelligence from the

The Poll Tax Muddle, Mr. Euros:-I am glad there is to be no conflict between the Aldermen and the Mayor. But did you ever see such municipal

legislation? Such city government? of the Mayor and the Aldermen understood each other, why did the Mayor not state that fact and say he would simply nupend the ordinance until it could be reconsidered or repealed? Instead of this, the Mayor refuses, on his own responsibility, to enforce the ordinance, and himself pronounces it null and void. And now they say it will cost too much to enforce it! A lame and impotent conclusion.

An Olu Citizen.

This whole matter shows into what. kind of hands the city affairs have fallen. It is high time good men arouse themselves to the dangers ahead. Jenie Lines Corner Tradaginet

EDITOR OBSERVER :- I desire through your paper to say to my friends who have suggested my name for Alderman in Ward No. I that, while I am grateful for their kindness and partiality, I can not now consent to serve them. As eternal vigilance is the price of liberty, so is continued vigilance, honest, fair and upright dealing necessary to success in bus-iness. Having from the outset (18 years ago), appreciated these facts, and acted up-on them, we find ourselves to-day rewarded for the countless anxieties, vexations, and the loss of hours of rest by seeing our long cherished hopes realized, of making Char-

and ours an exclusive Wholesale House

In order to be more explicit, we have the pleasure of informing the mercantile world that we have leased the superb store, ad-joining our present, (heretofore occupied by Meesrs, Brem, Brown & Co., as their Dry-Goods Store), which we will occupy by first ber next for the and will use our present elegant and com-

modious store for an exclusive WHOLESALEHOUSE thus giving to the trade a strictly "Whole-sole Establishment," where they can make

their selections from a Stock purchased for that trade only, thus avoiding coming in contact with a Retail Stock and Retail Buyers. The advantages of such a House are too obvious to need further comment. To give the general reader a better conception of the colossal dimensions of our two Houses we state that we will have upwards of thirty thousand feet of superficial

floor room; or if a lane of ten feet wide were formed of our stores, it would reach considerably over half a mile. At the same time we inform our numerous friends that our Mr. Rintels is now again North buying our second stock this season, and owing to the decline in goods, will again place us in a position to successfully compete with all other houses.

Very respectfully, WITTKOWSKY & RINTELS. Charlotte, N. C., May 1st, 1874.
