CHARLOTTE N. C. SUNDAY, MAY 24 1874.

No 1,619.

TO THE PUBLIC!

As eternal vigilance is the price of liberty, so is continued vigilance, honest, fair and upright dealing necessary to success in business. Having from the outset (18 years ago), appreciated these facts, and acted upon them, we find ourselves to-day rewarded for the countless anxieties, vexations, and the loss of hours of rest by seeing our long-heralded hopes realized, of making Charlotte a

Wholesale Mart, and our exclusive Wholesale House.

In order to be more explicit, we have the pleasure of informing the mercantile world that we have leased the superb store, adjoining our present (heretofore occupied by Messrs. Brem, Brown & Co., as their Dry-Goods Store), which we will occupy by first of September next for the retail trade only, and will use our present elegant and commodious store for an exclusive

WHOLESALE HOUSE

thus giving to the trade a strictly "Wholesale Establishment," where they can make their selections from a Stock purchased for that trade only, thus avoiding coming in contact with a Retail Stock and Retail Buyers. The advantages of such a House are too obvious to need further comment. To give the general reader a better conception of the colossal dimensions of our two Houses we state that we will have upwards of thirty thousand feet of superficial floor room; or if a lane of ten feet wide were formed of our stores, it would reach considerably over half a mile. At the same time we inform our numerous friends that our Rintels is now again North buying our second stock this season, and owing to the decline in goods, will again place us in a position to successfully compete with all other houses.

Very respectfully,
WITKOWSKY & RINTELS,
Charlotte, N. C., May 1st, 1874.

On the tract is a good mill site, at a place known as Drip-Rock, with plenty of water and a shoal of rocks which lets the stream fall 60 feet in a short distance. Also other shoals on Grape Vine Branch, for two sites for over shot wheels. The whole tract is yet in forest timber and well suited for a sheep farm, having a credit twelve months will be given on one half of the purchase money.

SPLENDID FARM FOR SALE.

The undersigned, as Agent for James A. Gaither, we offer for sale that well known plantation known as the Ducky Gaither Place, 16 miles northeast of Statesville, containing about 450 acres, 25 or 30 acres of bottom land, 75 to 100 acres in a good state of cultivation. Balance in pine field and original forest. On the premises is a

FINE, TWO-STORY DWELLING HOUSE, nearly new, containing seven rooms, with a splendid well of water in the yard, stables, and all necessary outbuildings, good orchards, good neighborhood and convenient to churches and schools.

This plantation would make two good farms, and the land is well adapted to the growth of tobacco, wheat, corn, oats, &c.

Title indisputable. Address my9 JONES & PENDLETON, Land Agents.

FOR SALE.

We offer for sale that valuable tract of land, consisting of

SEVENTEEN HUNDRED ACRES of as good lands as can be found in the county of Ireddell, on which John Young, Esq., now resides. On the tract is a

GOOD MILL SITE, with water power sufficient for all seasons of the year.

A SPLENDID DWELLING HOUSE and all necessary outbuildings. 1100 acres in original woodlands.

This tract of land lies nine miles south of Statesville and across the line of A. T. & O. R. R. The dwelling house is a short distance from a station on that road.

The tract will not be divided unless enough purchasers can be found who will buy all, and as it lies in such a manner as to be easily converted into a number of small farms it would be extremely desirable for a small colony.

On the plantation is about one hundred and fifty acres of

GOOD BOTTOM LAND, Title indisputable. Terms moderate. Address my9 JONES & PENDLETON, Land Agents.

ST. MARK'S LUTHERAN CHURCH.—Services in the morning at 11 o'clock and at 5 P. M. by the pastor Rev. N. Aldrich. Confirmation after morning service.

ASSOCIATE REFORMED SERVICE.—Preaching at Miller's Hall to-day at 11 A. M. and 5 P. M. by Rev. H. T. Sloan. The 5 o'clock service will be a Memorial Discourse of the late Rev. David Kerr, son of the late Maj. J. B. Kerr, of this city. The friends of the deceased are respectfully invited to attend.

ST. PETER'S CATHOLIC CHURCH.—Services to-day at the usual hours by the priest, Rev. J. B. Hands.

FIRST PRESBYTERIAN CHURCH.—Services this morning at 11 o'clock, and at 8 this evening, by Rev. A. W. Miller. Seats free.

Going to Europe.—F. Brevard McDowell, Esq. of this city, and his sister, Miss Emma McDowell, will leave home on Wednesday next, for New York, whence they will sail on Saturday for Europe on the steamer "Braunschweig" of the North German Lloyd Line. We wish them bon voyage and a safe return.

Railroad Crossings.—Crossings have been made over the Air-Line Railroad at its intersection with Fifth street and also at the intersection of Ninth. This opens a new way to Elmwood Cemetery through Fifth street, and the crossing at the foot of Ninth obviates the necessity of persons going to the colored cemetery passing through the white cemetery as has heretofore been the case.

LOCAL DOGS.

Go to church to-day and hear what the minister has to say.

The Board of Aldermen meet in regular session on to-morrow evening.

There were seven police arrests last week; four colored and three white.

No business notices will be admitted into the local columns of this paper. Remember this.

The measles rage and the children imagine that nothing would last so well as a drink of water.

There was no session of the Mayor's Court yesterday, there being no business for that body.

Yesterday was windy, and the streets almost intolerable. The ladies forsook the streets almost entirely.

There has been very little cotton in market the past week, and prices have undergone a decline.

It is something peculiar to Charlotte that her streets are always either very dusty or very muddy.

Ireldell Court convenes in Statesville to-morrow. This will be inconvenient for some of our lawyers who have business there.

A gentleman of this city says that Charlotte, during the past week, was like a sea port town, in that there were many dry docks in it.

Dr. Plummer being in attendance upon the General Assembly of the Presbyterian Church, now in session at Columbus, Miss., there will be no preaching at the Court House to-day.

Changed His Base.—Our young friend W. C. Morgan, who is well known in this city as having been lately the travelling representative of Blandy & Co.'s engine works of Zanesville, Ohio, is now connected with the Erie Iron Works at Erie, Pa.

Whitsuntide.—To-day is what is known in the church calendar as the festival of Whitsuntide. It is commemorative of the outpouring of the Holy Spirit upon the disciples at Jerusalem.

Fight.—A negro man and three women in Second Ward had a row yesterday afternoon. The man pursued them with an open knife until they turned and went for him with sticks, &c., beating him badly on the head and in the face—and then he hopped. His injuries are painful. He was committed to the calaboose.

Republican Candidates.—It seems to be generally understood that Col. O. H. Dockery, of Richmond county, will be a candidate against Mr. Ashe again this year for Congress. The party have held no convention yet, however, to nominate a candidate, and no call has been made, so far as we are aware, for such a convention.

Street Improvements.—A very great improvement has been made during the last week on Fifth street by the making of a pavement on it between College St. & the C. & A. R. R. Heretofore there has been no pavement along here at all, but Mr. Northey, the excellent Street Commissioner, recognizing that it would be a great accommodation to persons going to the trains if there was, put his strength to work and the result is a beautiful and well-constructed pavement.

Railroad Work.—We are beginning to see now right around us, if we never believed it before, that work is being done on the Carolina Central Railway. The force of Messrs. Hollis & Lemmon have pitched their tents on the outskirts of the city, and have begun work in Philier's field, turning their faces toward Wilmington. The force now consists of about 40 hands, with mules and mules in proportion, but will be added to in a short time. Shovels will soon be built and work commence in earnest.

Yellow Jacket Fire Company.—At a regular meeting of the Yellow Jacket Fire Company (colored) of this city, on Friday evening, the following officers were elected for the ensuing year:

President—Gray Toole.
Vice-President—W. H. Robinson.
Secretary—J. O. North.
Asst. Sec.—R. A. Kelley.
Treasurer—Jethro Sumner.
Directors—1st, S. Taylor; 2nd, Sam'l Mosely; 3rd, Alex. Webb; 4th, Yank Norwood.

High Grounds.—The Asheville Citizen says:

"Judge Logan, of the Rutherford District, has placed himself on very high grounds upon which to 'run' this summer for reelection. He has lately gotten from Prof. Kerr, our State Geologist, a statement showing that Reedy Patch Gap, in the Blue Ridge, is eight feet lower than Asheville, and upon this he proposes to 'run' for Judge. These are 'high grounds,' truly, for a candidate to take, but we rather guess about next August he will be required to get on higher and dryer.

So mote it be!"

Resolution of Thanks.—The following are resolutions of a committee of the Hornet Fire Company of this city:

Resolved, 1st. That the thanks of the Company be, and are hereby tendered to the ladies by whose assistance our engine was so beautifully and so tastefully decorated for the celebration of the 20th, and also to those who so kindly aided us by gifts of flowers.

Resolved, 2d. That the thanks of the company be, and they are hereby tendered to the merchants of this city who kindly lent us articles from their stores to be used in the celebration.

Resolved, 3rd. That the thanks of the company be, and they are hereby tendered to Col. Thomas and his corps of officers and cadets from the Military Institute for co-operating with this company in the celebration and for contributing so much to it by their fine appearance and military bearing.

Salisbury Intelligence.

We have just received the first number of the *Intelligencer* since its transfer from Statesville to Salisbury. It is an excellent paper, is under the control of a gentleman of talent and energy—Rev. A. K. Murchison—and is entitled to the cordial support of the people of Salisbury and Rowan.

The Wounded Woman.—The negro woman Mira Bartlett, who was stabbed Friday afternoon by another woman of the same color, was much improved yesterday, and her physician thinks her recovery almost certain. The stabber made a run shortly after doing the stabbing and has not yet been overhauled.

Picnic.—The Good Templars of this city held a picnic yesterday at Park's pond, about three miles from town. They were joined by the Steel Creek and Mallard Creek Lodges, and a large crowd was in attendance. Addresses were delivered by Rev. P. J. Carraway and J. F. Butt, and perhaps by others. Those present enjoyed themselves very much and we understand.

The Injured Persons.—We learned yesterday from Mr. Richard Hilton that, by the runaway accident on Friday afternoon his sister, Mrs. Cheek, was more seriously injured than his wife, being very much bruised and rendered insensible for a while after the fall. An infant child of Mrs. Cheek, ten months old, fell on its head and is still in a stupor. The other two children and Mrs. Hilton are less injured. Mr. Ray was confined to his room yesterday in consequence of his injuries. We hope that all of the parties will soon recover.

Mr. Hilton does not complain against the young man driving the buggy which ran into that one in which his wife, sister and the children were.

Capt. Plato Durham.—Several days ago a communication signed "Burke," from the *Piedmont Press*, was published without comment in this paper, in which communication it was stated that the *Ossageva* had expressed "great fear" that Capt. Plato Durham would carry all the counties "this side of the ridge." We said nothing of the sort, but what we did say was that "it is said," &c. We expressed no "fears," opinions, or anything else about the matter.

The correspondent says: "The editors of that paper [referring to the *Ossageva*] must have a very imperfect knowledge of the political status of the Piedmont region." And "Burke" must have a very imperfect understanding if he imagines that he has any real ground of complaint against us.

Court Yesterday.—Court opened at the usual hour yesterday morning. The Grand Jury handed into the Court a presentment against the city for tolerating certain bawdy houses. The presentment, however, was withdrawn and a *not pro. entered*.

The case of the State vs. J. P. Green, Bob Turner and Bill Capps, was called. Green failed to answer and a *not pro.* was entered against him and his securities. Capps and Turner, who had been in jail, were re-arrested, and the case postponed until Monday.

Sam Goodman, colored, who was mentioned yesterday as having been convicted of larceny was brought into Court and sentenced to two years in the Penitentiary. The charge against him was for stealing the harness from a horse of Rev. W. W. Pharr, when it was hitched in a back lot in this city. This occurrence took place about a year ago.

State vs. Sam Goodman again for larceny. Found guilty, but judgment was not prayed, and judgment was entered for the cost simply.

This comprised all the business worthy of note during the morning, and at noon Court adjourned over to Monday morning at 9 o'clock. Very little business was done last week, and it is very likely that the criminal docket will consume three or four days of this week.

Resolutions of the Independent Hook and Ladder Company.

In pursuance of a meeting called by J. W. Sprinkle, V. P., on May 23, the following preamble and resolutions were adopted:—

Whereas, On our recent picnic excursion on the 20th inst, a certain party, an expelled member from our company, attempted to force himself upon us without a shadow of an invitation, and was ejected from the train by our President, who lawfully represented us, Therefore be it

Resolved, That we unanimously endorse him in the matter, and if he had failed to perform this duty, although an unpleasant one, we could not have respected him as our President.

Resolved, That we tender to the Sharon B. Brand our sincere thanks for the kind manner in which they responded to our invitation to participate with us on our annual celebration, and for the excellent music rendered, which added greatly to the enjoyment of all present.

Resolved, That we highly appreciate the kindness of Mr. W. W. Pogram, agent of the C. & A. R. R., for securing the train and for his courtesy in general towards us.

Resolved, That our thanks are due and are hereby tendered to the citizens for their very liberal contributions.

Resolved, That we feel highly complimented for the manner in which the ladies responded to our invitations and graced the occasion with their presence.

Resolved, That the above resolutions be put upon our minutes and that they be published in the *DAILY OBSERVER* of this city.

P. H. Phelan, J. W. SPRINKLE, Secretary, V. P.

Meeting of the Board of Aldermen.

COUNCIL CHAMBER, May 18th, 1874.

On motion of Col. Williams the Board proceeded with the unfinished business of last meeting, and Mr. Davidson suggested that the pay of the Marshal was first in order, and on motion of Aldermen Hegler the Board proceeded to fix the salary of that officer.

Mr. Walker moved the salary be the same as it was for the last term.

Col. Williams moved to amend by giving the Marshal a commission of 4 per cent on his collections and fees; and urged his amendment as the better plan and more just to both the Marshal and the city, by which his compensation would be in proportion to the amount of services rendered, and afford an extra inducement to the fullest performance of duty, &c.

Mr. Grier suggested, that the Marshal must already be sufficiently urged by his duty in collecting by reference to his bond, which was on file, and made him responsible. Mr. McNinch was opposed to the amendment, and preferred the old mode of paying the Marshal a fixed salary and requiring him, by sufficient bond, to collect the city dues, and making him responsible therefor.

Finally, the substitute was lost, and Mr. Walker's motion prevailed, fixing said salary at \$300 and fees as before.

Col. Williams moved that the Board elect two cotton weighers. Mr. McNinch suggested that it was understood that the cotton buyers were unwilling that the second weigher should be appointed by the Board, and thought it would be better to postpone the election at present. Col. W. said he had spoken to several of the cotton merchants, though not all, and thought they, as a body preferred that the Board should elect two.

Mr. Davidson thought we certainly needed two weighers, as affording better facilities for accommodating the farmers, who disliked to be detained here over night when they brought their cotton, &c., and moved that the question be deferred until the Board could consult the cotton buyers as to the best course to adopt. After further discussion, Mr. Davidson's motion was lost, and the Board proceeded to elect two cotton weighers, voting for each separately. Messrs Matthews and Davidson were requested to hold the election which resulted as follows: On the first and second ballots the vote stood, C. H. Elms, 3; J. Duls, 1; J. W. Sprinkle 4 and W. H. Trezevant 3. On the third ballot Mr. Elms received 6 votes, Mr. Trezevant 4 and Mr. Duls 1, and the Mayor announced that Mr. Elms was elected. The election for the second weigher resulted as follows: For Mr. J. W. Sprinkle, 6; for Mr. Trezevant, 3; for Mr. Duls 2, and Mr. Sprinkle was declared elected.

The election of Clerk of Market, keepers of both the Cemetaries, and Street Commissioner were postponed until next meeting.

Mr. Horan moved that the Finance Committee be instructed to report a Revenue Bill for the current year. Adopted.

Applications from Mr. Barnes, to be excused from the payment of the balance due from him on account of license tax, on the ground that he intends changing his business June 1st, and from Messrs Long, Sumrow & Co., that balance on wholesale was refunded because they had ceased to sell liquors, were both laid on the table.

On motion of Mr. R. F. Davidson, ordered that the City Treasurer and Marshal be directed and empowered to receive in payment of taxes and other dues to the city, coupons, and other certain claims against the city, with the interest accrued upon the same, according to the custom heretofore observed. And the Treasurer was directed to renew the notes to the several banks in the city now outstanding.

On motion of Mr. Matthews, a committee was appointed to have the hall of the Board of Aldermen furnished with tables and chairs, lights, glasses and pitcher, &c. The Mayor appointed on this committee Messrs Matthews, Williams, Horan and Davidson.

On motion of Mr. McNinch, the Clerk was directed to enter upon the Records an order directing the Fire Department Committee to contract for the purchase of 1500 feet of "Carbolic Hose" for the use of the Hornet steamer. (The order was made by the last Board during a temporary absence of the Clerk, and was omitted in the notes of the meeting taken by the acting clerk.)
