THE PUBLIC!

As eternal vigilance is the price of liberty, so is continued vigilance, honest, fair and upright dealing necessary to success in busless. Having from the outset (18 years ago), appreciated these facts, and acted upon them, we find ourselves to-day rewarded or the countless anxieties, vexations, and the loss of hours of rest by seeing our long cherished hopes realized, of making Char-

Wholesale House.

In order to be more explicit, we have the pleasure of informing the mercantile world that we have leased the superb store, adjoining our present, (heretofore occupied by Messrs. Brem, Brown & Co., as their Dry-Goods Store), which we will occupy by first of September next for the retail trade only, and will use our present elegant and commodious store for an exclusive

WHOLESALEHOUSE

thus giving to the trade a strictly "Wholesole Establishment," where they can make their selections from a Stock purchased for that trade only, thus avoiding coming in contact with a Retail Stock and Retail Buy ers. The advantages of such a House are too obvious to need further comment. To give the general reader a better con-ception of the colossal dimensions of our wo Houses we state that we will have up-

wards of thirty thousand feet of superficial door room; or if a lane of ten feet wide were formed of our stores, it would reach considerably over half a mile,
At the same time we inform our numer ous friends that our Mr. Rintels is now

again North buying our second stock this season, and owing to the decline in goods, will again place us in a position to successfully compete with all other houses.

The Charlotte Excursionists in Wilmington.

Their Safe Arrival and Reception. WILMINGTON, June 23 .- The train which left Charlotte at 9:30 last evening, bearing a number of business men on an excursion to Wilmington, arrived safely in this city at 5 o'clock this afternoon, after a trip fraught with many pleasant incidents. We were received here with a perfect ovation, and the hospitality of the citizens seems to be unbounded. A glorious time is in prospect for

Merchants' and Bankers' Excursion .-By telegram received in this city yesterday from W H H Gregory, Chairman, to Richard W Andrews, Secretary of the Chamber of Commerce, we learn that the excursionists will leave Charlotte for this city on Monday night, the 22d inst., at 91/2 o'clock, on a special train, which will come through by Columbia, reaching here on Tuesday evening by 71/4 o'clock. The excursionists will be mrt at the depot by the Reception Committee and escorted to their respective places of abode

while remaining the guests of the city. On Wednesday, the party will be taken to Mr. Wm. A. Wright's place on the Sound, where a season of refreshment and rest will be had, when they will be taken to the Banks in suitable boats prepared for the purpose, where those who are so inclined can indulge in a surf bath, returning to the city by moonlight at night.

Wilmington Star, 21st. The Carolina Military Institute.—The annual examination of the cadets of this school began on Monday morning, and is going on daily. The examination by departments is in the follow-

Republican Convention of Mecklen-

The Republicans of this county met in Convention in the City of Charlotte on Saturday, June 20th.

The Convention was called to order by Gen R Barringer, who explained the object of the meeting, when R R Ray was made permanent Chairman, and J M Turrentine and Z W Pearsall requested to act as Secretaries. The principal object of the Convention was to consider the propriety of nominating a Republican ticket in the next August election. After considerable discussion, pro and con, Gen Rufus Barringer offered the following resolutions, which were unanimously adopted:

Resolved. As the sence of this Convention, that the Republicans of this county will nominate no regular Republican ticket in the coming August election.

Resolved, That the members of this Convention, acting as individuals, hereby favor a fairly constituted Independent or Mixed Ticket; and to that end the Chairman shall appoint a committee of 18 persons to consider and arrange such a ticket to be voted for at said election; and that the townships not represented in this Convention be requested to select one member each to co-operate in arranging said ticket. The closed with a Concert on Monday evening. most gigantic difficulty in the way of success is, "Mooney" nights again. Pity the gate It was our very great pleasure to be present. All Statesville and quite a number of persons from abroad were there, and we cannot remember when we've seen such an array of store clothes, flewers and beauty. Long be-

fore the concert began, crowds came pour-

ing in, and by the time the performance commenced the spacious and elegant chapel was filled so completely that many were unable to get inside the room. The stage was decorated in a beautifully artistic manner with flowers and evergreens, and to the ornamentation thus furnished,

was added the presence of the music scholars who, just before the exercises oper entered and occupied seats on the stage.-They furnished indeed a galaxy of beauty, and their flowing robes, bright eyes and smiling faces suggested, no doubt, to many

In due time the exercises of the evening were opened by the "March from Oberon," two pianos, by Misses Belle Houston, of Alabama, and Fannie Wallace, of Statesville This was played in such a manner as to bring forth evidences of the highest appreciation on the part of the audience which

applauded enthusiastically. We cannot mention each piece of music on the programme, but, without wishing to be accused of any partiality, will refer to a few of those which most struck our fancy: "Hard Times," a solo, snugby Miss Beseie Martin, of Virginia, was excellent; it was splendidly sung, and the child's sweet warbling gushed forth in a stream of melody which captivated her audience from the moment she began until she concluded .-One of the principal features of the occasion was the "Song of Gretta," sung in German, by Miss Fannie Wallace. The quartette, which was called for Monday night to con- "Invitation to the Waltz," as played by Misses Lawrence, Wallace, Houston and Long, was splendid in all respects. The time was perfect, and it was played with spirit. Miss Mamie Robbins, of Statesville, sang the solo "Waiting," beautifully; her voice is one of unusual sweetness, and the stillness which fell over the crowd while she was singing testified how intently they were listening for every note. "Not Married Yet," a solo, was sung by Miss Addie Bogle, of Lenoir, with an abandon which was perfectly enchanting. The song was decidedly humorous, and the manner in which it was sung added to its interest; it supply at june 28. was evidently enjoyed, and was greeted at the close with laughter and applause .-"Rose Bush," a song duet, by Misses Carrie

> the two young ladies, it was touching in the We have no idea of forgetting to mention 'La Brune Therese," the solo sung in French by Miss Belle Houston. Her voice is as sweet as a mocking bird's, and her every movement while singing this was graceful and elegant. She excited the admiration of all by her voice and bearing wheneyer she appeared, and, perhaps, no performance during the evening elicited more sin-

as the notes of the dying swan, and as beau-

cere encomiums than "La Brune Therese" We have been forced to give a very brief and running sketch of the evening's enter-tainment, feeling sure, and consequently regretting, that we have fallen far short of doing justice to many of the young ladies and have left unsaid many things which should have been said. From the remarks above it will not be difficult to discover our opinion of the concert. We considered it a grand su c cess. Everything was done well and too much praise cannot be lavished upon the pupils or upon Mrs Bland and Miss Carrington, their teachers. These latter have shown by the performance of their pupils how thoroughly competent they are in their departments. Liberally endowed themselves with musical gifts, they know how to impart their knowledge of this gift to others, and the concert of Monday night reflected the highest credit upon teachers as well as

At the conclusion of the concert Prof Martin, the President of the College, took the stage, and after returning thanks for the attention paid the performers, in beautiful and befitting terms called out the Rev Moses D Hoge, D D, who was present. This gentleman came forward and spoke entertainingly for a few moments. His subject was music: the address was entirely extempore, and did credit to even Dr Hoge. No higher compliment could easily be paid it. We feel disposed to say more of it, but our space is up.

The closing exercises of the Simonton College have been of the most interesting character The Fall term of the school begins in Sept., and we expect to see the number of its patrons doubled next session. Long live and flourish the Simonton Female College, its accomplished President, and all connected in any way with it!

[COMMUNICATED.]

Turrentine, R Barringer, R E McDonald, P showed quite plainly that the children had been cult to secure the services of proper instructors. The Rev Mr Boone had to move in the matter without experience in the system of Graded Schools. And teachers with good experience in teaching, were easily secured, but they have ' change the method of teaching, and confor the new method. Mr Boone has show much wisdom and great diligence in the management of the school. He was fortunate in securing the services of Miss M H Barber, of Richmond, Va, who has experience in the graded system, and many excellent qualifications for the important work.

I think it will not oe considered an invidious distinction to say, that, to her experience and skill, the success of the school may be attributed. Several other teachers have added much to its success, and Mr Boone has proven himself fully competent to meet the responsibilities of his postation, as Superintendent of the school.

It is understood that the school will be re-open-

ed after a few weeks vacation. This will be gratifying to many of our citizens. It will be a means

Is there not enterprise enough in Charlotte to meet this demand of our community? Surely there is. If this subject is properly presented to the people, they will respond. The leading men of the city must move in the matter. Let public meetings be held, and the talents of our orators and business men be enlisted, and some means can be devised to meet the case, and a school which shall meet the neces-
