The Republicans and the "Farmers" Plattorm .- The following is a copy of a resolution which was passed by the Republican Convention in this city on Saturday last :

That the Committee hereby endorses the Farmers' Platform, on which the independent candidate for Congress, in this District stands; and without nominating Mr E C Davidson, they recommend him to the favor of the voters of the District.

And not a word about "recommend"-ing Mr Houston, "to the favor" of anybody. He was wounded in the house of his friends, and is mad with the convention in consequence.
