Bradley's Patent Enamel Paint, Pure White Lead, Linseed Oil and Zinc, and Always Ready for Use.

READ THE FOLLOWING TESTIMONIALS:

From Prof. W. G. Simmons, Wake Forest College, North Carolina. WAKE FOREST COLLEGE, N. C. October 4, 1873.

Mr. C. P. Knight—Dear Sir: We have for several months been using your Bradley's Patent Enamel Paint on our College Building, and are well pleased with it. Though it was applied by one having no experience in such work, yet we have a good job. We shall continue to use it—believing that in point of economy, durability and facility of application, it is superior to any other pigment offered in the market. W. G. SIMMONS.

From Messrs. Englehard & Saunders, Editors and Proprietors "Journal." WILMINGTON, N. C. Dec. 23, 1873.

We desire to call special attention to the advertisement of Bradley's Patent Enamel Paint. We can recommend it from a knowledge of its merits. Some of the employees of this office having purchased some of this paint from Mr. C. P. Knight, of Baltimore, have used it, and speak in the highest terms of it, after a trial of several months. While it is as durable as ordinary paint, it has a much finer finish, and its cost and convenience will recommend it to all in need of paint.

From S. McGill, M. D. THE PLAINS, FAIRFAX CO. Va. Feb. 6, 1873.

Mr. C. P. Knight—Sir: The paint came safe to hand as ordered, 2 kegs, 5 gallons each, and 3 buckets, 1 gallon each. As practice was slack, I did the job myself. Two weeks (not constant) work, completed the house, two coats; the last coat I applied thick, and it is now generally conceded, that for "enamel" like hardness, and body and harmony of colors, there is not a handsomer job in the place. I saved sixty-five dollars by the operation—which is an item just now with the "Southern people." It should be generally adopted in this State. Any country lad can apply it. I have never dabbled in such stock as "testimonials," but I feel so forcibly the great adaptability of your "Enamel Paint" to the wants of our people—in excellence of material, in beauty of color, and in the fact of its being "ready mixed," that I give you permission (if it is desirable to you) to make what use you think proper of this letter. Very respectfully and truly, S. MCGILL, M. D.

From R. W. Rayne, of the Firm of Bartlett & Rayne, 48 Carondelet Street. New Orleans, January 29, 1874.

C. P. Knight, Esq.—No. 93, West Lombard Street Baltimore—Dear Sir: It affords me much pleasure to advise you how well satisfied I am with Bradley's Patent Enamel Paint, having used all I bought of you in painting a large cottage (new) at Ocean Springs, Miss., and having found it to cover and work so admirably, and very far superior to ordinary metal paints, and colors not subject to fading and discoloration. It is my earnest purpose to send you another order for more very soon. Yours respectfully, R. W. RAYNE.

Always ready for use and easily applied. Sold by the gallon. One gallon covers twenty square yards, two coats.

Specimens and Price List Furnished Gratis. Liberal inducements to the trade.

JUDGE LOGAN AND "BAALBEC."

The Rutherford Star and Record, of May 9, contained an article highly laudatory of His Honor Judge George Washington Logan. It praised him as a politician and a jurist.

Concerning this eminent legal luminary's abilities as a lawyer and Judge the Star and Record says:

"We now desire to say a few words about Judge Logan as a Jurist. We shall not attempt to say that the legal knowledge of the Judge is superior to or equal to some of the legal men of this State, but this much we do say, and all who will take the pains to examine into the facts will so find it, that considering his experience at the bar before he was placed upon the bench, and considering his many difficulties he has had to contend with, not forgetting that his political enemies have beset him from the very beginning of his judicial career, with trickery and deception in order to injure him as a Judge, we say that taking all these disadvantages into consideration he has made one of the best and most successful Judges in the State."

Now we desire to make a few remarks.

The Rutherford Ass is like Mark Twain's old horse "Baalbec." Considering the fact that one of Baalbec's hind legs was bent the wrong way; that the other one was straight and stiff as a tent pole; that most of his teeth were gone; that he was blind as a bat; that his nose was broken and arched like a culvert; that his under-lip hung down like a camel's; and that his ears were chopped off close to his head—considering all these facts, Baalbec
