EXPLANATION OF THE

Scheme And Rates.

IN THIS VERY POPULAR SCHEME, purchasers choose their own numbers, and they are decided by the drawn Ballots of any Combination Lottery. All drawn numbers are equal in the Supplementary, no difference in what order they come.

Purchasers can select a 2 Number ticket,

Also, a 3 number ticket,

Also, a 2 number ticket,

Also, a single number ticket.

Choose their own numbers, and at whatever price they see proper to pay for their tickets. The Prizes are paid accordingly. To elucidate the matter—supposing a 2 number is drawn in the Combination Lottery, to be drawn—any person can go to a vendor's office and select for example, a four number ticket at one dollar, in any class choosing his own numbers, and the vendor will give him a certificate of them. The vendor will enter this certificate upon the Manager's Register—and purchasers will be careful to see them entered upon the Register, as the Management is responsible for only. If upon the drawing taken from that purchaser's four numbers are drawn in that class (no difference in what order they may have come,) he would receive $2. If he purchased a two number ticket, say for one dollar, and the two numbers should be drawn, he would receive $12. If he purchase a single number ticket, and the number be drawn he would receive 4 for one.

$56,00 for $1 on Each

CITY INTELLIGENCE.

The Observer is the only paper published in the State West of Raleigh which gives the latest telegraphic dispatches every morning. Business men will please make a note of this.

"Free from that venality which corrupts the conscience or that pity which corrupts justice."

LOCAL DOTS.

Damp, drizzly, unpleasant last night.

As pleasant a set of people yesterday as you ever saw.

A good deal of money changed hands on the result of Thursday's election.

Rev Dr Wingate, President of Wake Forest College, will preach at the Baptist Church to-morrow.

Mrs V R Elam sent us yesterday a number of "Giant Sole" beans which averaged fourteen inches in length.

There be more straight out Democratic voters in Mecklenburg, than ever a Republican's philosophy dreamed of.

'Squire Jack Matthews wasn't in town yesterday. Guess he's in his hole and will remain there "regardless of consequences."

As gloomy and black a day as we almost ever saw, was yesterday. A great thing it was that we had the result of the election to cheer us up.

Now that the comet has disappeared, the the election over, and the B-T scandal getting "sorter" monotonous, we guess it's about time to start Bald Mountain again.

In our report of the vote in Fourth ward yesterday, we said Stewart received 339 votes; this was a typographical error and gave him 300 more than he was entitled to. His vote was 39.

We hope the first thing the new Board of County Commissioners do will be to order the Court House whitewashed, up stairs and down. That Court House is a hard looking structure, inside and out.

There is no telling what Ashe's majority will be. If Davidson is beaten 1044 in his own county, in the name of heaven, how much do you reckon he will be beaten in the other counties?

Sixteen young men serenading a young lady; all of them clinging to trees and to each other for support; singing "Why am I so Weak and Weary?" Humph! We thought we could have told them, but then it wasn't any of our business.

Our late candidate, Mr S Allen Stewart, requests us to say that the reason why he was not elected was that his tickets were not taken to the different boxes in the county. He requests us to say further that he did not care anything at all about the office, anyhow.

An engine, hauling several flats of lumber, was ditched at the Air Line depot last night, owing to a misplaced switch. About forty feet of track was torn up. Notwithstanding this, the train will go out on time this morning, even if it should be necessary to transfer passengers.

Change of Schedule.—The schedule on the Atlantic, Tennessee and Ohio railroad will be changed on Monday next. The train will leave Charlotte at 7 p m, and arrive at Statesville at 10:30. Returning, will leave Statesville at 11:50 a m, and arrive in Charlotte at 3:05 p m. The train going north connects with the mail and passenger train on the Charlotte, Columbia and Augusta railroad; coming south, connects at Statesville with the train on the Western N C railroad.

This change is made for the accommodation of summer travelers.

The Carolina Central.—Col S L Fremont arrived in this city yesterday afternoon from Beaver Dam, Union county. He informs us that yesterday morning the track had been laid to within three miles of Beaver Dam, thirteen miles from Monroe. It is calculated that the track will be laid to Monroe by the 27th or 30th inst. Col. Fremont believes that the track will reach Charlotte by the 30th of September. Track laying is being done at the rate of one mile per day. There is a large force at work on the road, and everything is progressing most favorably. It is thought that the last rail on the road will be laid near McAlpine's creek.

How it was Received.—Little was thought of yesterday morning save the election. Crowds assembled in and around the Court House, and the vote of each township was anxiously waited for. It was known early in the morning that we had carried the county, but a knowledge of this fact did not lessen the interest which was felt in hearing officially from each precinct. When the vote was announced at the Court House, there was an enthusiasm manifested which we have rarely seen equalled. True, there were no demonstrations, no shouting or noisy evidences of joy; but the radiant smile on the face of each Conservative present, showed how fully he appreciated the victory which the true men of Mecklenburg had achieved.

We have made immense gains—much larger than had been anticipated. It had been said that Schenck would lose in the county. So far from it, he has gained more than 100 on Merriman's vote, and carried the county by a splendid majority. Mecklenburg has covered herself with glory. Her sons have come nobly up to the rescue, and have set their seal of condemnation upon Radicalism and a mis-named "independence." Our party organization not only remains intact, but has been strengthened. We thank these "independents" for having offered themselves, for we and they have seen how vain, and how worse than vain it is for a few malcontents to fly in the FACE OF THE SOVEREIGN PEOPLE.

Sold Out Cheap.—John Henderson, colored, announced publicly on election day at Paw Creek precinct that fifteen hundred dollars had been paid by one of the independent candidates for sheriff, for the purpose of influencing the election. John offered in the morning to sell out for ten dollars. Late in the evening he compromised on a piece of watermelon, and voted for some of the Conservative nominees. The fact that $1500 spent in the election to bring defeat, proves that the people of Mecklenburg are above price.

Personal.—Col S L Fremont arrived in the city yesterday afternoon.

Capt. B H True, the irrepressible, came last evening, and we were glad to see him.

Monsieur and Madame DeCastro, the professors of music and modern languages at the Charlotte Institute for Young Ladies, arrived last evening.

Johnstone Jones, Esq., the editor of the OBSERVER, left the city last evening for Hillsboro and Pittsboro, where he will remain for awhile.

Col. Chas. R. Jones, the senior proprietor of the OBSERVER, left last evening on a visit to different points, and will be absent for about a week.

Dr. Jo. Graham left last evening with his family for Beaufort.

Election Fights.—The bar rooms weren't open on election day, and consequently election fights were postponed until yesterday, when there was no lack of them. The bars were not open from six o'clock Wednesday evening until six yesterday morning, and steam had so completely died out that it took until about noon yesterday for the fightists to get thoroughly fired up.

The first entertainment was at Deaton's bar room, on College street, and the participants were Wm Johnston and Green McCauley. Mr Johnston was quite obstreperous, and nothing would do him but a fight. Mr McCauley finally accommodated him and ornamented his face a little. They were taken before the Mayor and fined $3.50.

The next was a fight between three drunk negroes in Five Points—(when you can't get up a row anywhere else, go there). They seem not to have had any particular reason for fighting, and the Mayor put the crowd in the lock up. This row attracted a large crowd, and much interest was manifested in it. Policeman Blackwelder had to floor all three of the negroes before he could arrest and make them willing to "go 'long."

Pat Hodges had a fight late in the afternoon with A M Yandal at Snider's bar room, on Tryon street. This was not such a big affair, and the Mayor only fined them $6.50 each.

Bill Culpepper and an Irishman concluded the day's entertainment about 8 o'clock last evening by a fight in Walker & Gibson's bar room. The Irishman walked William's log.

THE ELECTION!!

RETURNS FROM SEVERAL COUNTIES AND DISTRICTS.

Everything Indicating a Great Triumph

By telegrams and private letters received in this city yesterday, we have the following election news to lay before our readers this morning. It is of the most gratifying character. We have made gains almost everywhere, and the election of Col Pool we regard as reduced to a certainty. The following is our information from adjoining counties:

Cleaveland gives Capt Plato Durham, independent candidate for Congress, 1,100 majority; gives Schenck 600; Pool 750; Montgomery's majority 560. Maj Jesse Jenkins, independent democratic candidate for the Senate against Col Morris, the nominee, carries this county by about 550, and is elected. Allen Bettis, dem, is elected to the House. B F Logan, dem, re-elected Sheriff. The total vote of the county is about 1,800—the largest ever cast.

Lincoln county gives Schenck a majority of about 350; Montgomery the same; Ashe and Pool's majorities are greater than that of Merrimon in '72. The Conservative county ticket is elected.

Gaston gives Schenck a majority of 315; Montgomery 270; Ashe 300; Pool 314. All the Conservative county ticket is elected with the exception of Torrence, candidate for Clerk of the Court, who is defeated by E H Withers, the present Democratic incumbent.

Cabarrus rolls up a majority of 450 for Schenck, and 547 for Montgomery. Paul B Means is elected to the House.

Iredell elects all Democratic county officers. S A Sharpe, independent Conservative candidate for the House defeats one of the nominees. Cook, Radical candidate for Congress, beats Robbins 20 votes at Statesville box, but Robbins has the county by an increased majority.

From Union we have reports from Monroe township alone. Here Ashe received 341 votes, and Davidson 1; Fuller, 316; Buxton, 159; McCauley, nominee for the Senate, 324; Carraway, 0; Lemuel Presson, for the House, 328—no opposition; Walkup's majority for clerk is 158; Griffin's, for sheriff, 122. Pool's vote is unanimous. A friend writes us:—"Purnell didn't black the board in town."

Davidson county went Republican, we learn, but Cramer, (Rep.) is defeated for the Senate.

We learn from Alamance that Jim Boyd has been elected to the Legislature, and that Red-Eye Bill Albright has been re-elected Clerk of the Court.

[SPECIALS TO THE OBSERVER.]

Guilford Elects a Conservative County Ticket—Scales Elected to Congress and Ruffin Probably Judge.

GREENSBORO, N. C., August 7.—The entire Conservative ticket is elected in Guilford. Dr Mendenhall and John N Staples to the House, the latter elected over four opponents. The Guilford and Alamance Senatorial Districts, elects J T Morehead, Jr, Conservative, and A S Holton, Republican. General Scales, Conservative, is elected to Congress from this district. Ruffin, Independent, is probably elected Judge. Returns generally show Conservative gains.

RALEIGH, Aug. 7.—There are large Democratic gains from every section. Wake county has gone Democratic by a gain of some 600. The State has gone largely Democratic, with almost a certainty of 7 out of 8 congressmen. The Legislature is largely Democratic. There is great rejoicing and much enthusiasm. Business is generally suspended, everybody being anxious to hear the news.

Ready Mixed Paint.

We call special attention to the excellent testimonials of Mr C P Knight, in reference to Ready Made Paint. Not having used the paint we can't speak from experience, but we feel sure it is to the interest of all our customers, who desire painting, to test the same.

Signals of Distress.

When the eyes have become dull and heavy, the nervous system morbidly sensitive, the muscles flaccid, the complexion sallow, the body languid, the mind listless, and the fire and energy which should characterize health, have wholly or measurably disappeared, the individual exhibiting these symptoms may take it for granted that his stomach is diseased, his liver disordered, his blood impure or impoverished, and his constitutional stamina and vitality impaired.—What his case requires is immediate and judicious medical treatment. He need not, however, put himself to the expense of consulting a physician. It is as clear as the sun in a cloudless sky, that he is dyspeptic, and it is as certain as any demonstrated fact can be, that Hostetter's Stomach Bitters will cure dyspepsia and all the brood of bodily and mental ills of which it is the parent. Let him commence a course of the remedy at once, and following the directions faithfully, continue to take it until every disagreeable symptom shall have disappeared.—If it be a case of long standing, the cure will not be sudden and immediate. The great tonic and corrective, potent as it is, does not work miracles; but surely, though gradually, it will restore the sufferer to perfect health. From day to day his eyes will become brighter, his nerves firmer, his muscles more elastic, his complexion fresher and clearer, his spirits brisker. In due time he will be once more in a fit condition to fight the battle of life vigorously and effectively, and will admit that, if dyspepsia is our national disease, we have in Hostetter's Bitters a national specific equal to the emergency.

Estrayed.

A FULL grown steer, red and white spotted, without horns, came to my house about a week ago. He is represented as being a fence breaker, and an unruly breast. The owner can get him by calling at my house, proving property, paying for his keeping and this advertisement.
