STATE NEWS.

A new colored military company has been organized in New Hanover county, with 56 members.

A gentleman in Wilmington the other day fell from an upper piazza to the steps below a distance of 12 feet, and escaped almost unhurt.

The George Hooker Combination will render Colleen Bawn, a production of Boucicault, at Tucker Hall, Raleigh, this evening.

A fellow who had been arrested in Wake county for stealing cattle, tried the "delirium tremens" dodge, but it wouldn't "go down."

Two of the three companies of U. S. troops stationed in Raleigh left yesterday, the Spartanburg, S. C., and the other for Marion, N. C.

The *Journal* says the report which has obtained currency in some sections that yellow fever exists in Wilmington, is false in every sense.

They tell the Wilmington *Journal* that New River will not yield its usual quantity of oysters, and Wilmington apprehends having to look somewhere else for some of its supplies.

The trial of Chief of Police King of Raleigh, for drunkenness, playing at gaming tables, and for malfeasance in office, has closed. The charges were not sustained, and the *Crescent* pronounces the whole thing a farce.

Raleigh *Crescent* says: We learn that on last Monday evening, the 7th inst., Mr. Martin Stevenson, a former citizen of Moorboro, was married in Mobile, Ala., to Miss Augustine E. Buckley, a belle and beauty of that city. This is good news from the young and gallant Stevenson to his many friends in this his native State.

An exchange says: Mrs. Rebecca Harding Davis is said to be concocting a new romance from materials gathered in North Carolina. From the nature of the cholera in that State we may anticipate plenty of pining lovers, with a jolly tar as the comic element, and a carpetbaggerious form, Warren as the villain. A high pitched sort of story, in fact.

The Wadesboro *Herald* says: On Sunday afternoon three little boys—children of Austin Ramsay, colored, residing about two miles from this place, were amusing themselves with a loaded gun during the absence of their father. By some means the gun fired and the contents lodged in one of the boy's leg, shivering the bone to such an extent that amputation had to be resorted to.

On Saturday afternoon last, Messrs W. Nixon and D. Lewis were driving along a street in Raleigh, when they were run into by a dray, and both thrown from the buggy, which was smashed. Mr. Lewis had a hand sprained painfully and Mr. Nixon a leg badly bruised and skinned. The horses attached to the dray ran off, and threw the driver out, but he was not hurt. The above we glean from the *Sentinel*.

The Raleigh *Crescent* of Saturday says: At their meeting on yesterday, the Board of County Commissioners reduced the county tax upon theatrical performances of a like nature from $5 to $3 per night, and from $50 to $30 per season. This action on the part of the Board will meet the approval of all fair minded and thinking men. Oppressive and exorbitant taxation has hitherto deprived this city and county of a large amount of revenue by keeping away entertainments of the class above alluded to, besides depriving our people of the means of innocent recreation. We sincerely hope that the coming Legislature will have the good sense to do as the Board of County Commissioners of Wake has done in this direction.

The Raleigh *Sentinel* of Saturday says: Sam. Joseph, the travelling agent and bill poster of Robinson's circus, held a conversation on yesterday with the boys of the *Sentinel* office. Sam. Joseph said that old John Robinson's taxes, in one season, amounted to $46,000. He was rich, but would quit work, he wanted to do all the work of the company, put up the canvas, and bring out the spring-board, &c. He would not do for President, said one. "I would rather have him than Grant," said another. "I would rather have him for Governor than Brogden," said another, "and when the circus comes, I will propose to the clown to swap Governor Brogden for old John Robinson." Sam Joseph declared that John Robinson would not quite give his ring for Grant's or Brogden's. So John Robinson will not be President or Governor, unless like Cæsar he accepts after declining.

The Fifth Congressional District, celebrated their recent great victory by turning Wilmington on Thursday last. One of the features of the occasion was the representation of the sixteen counties composing the congressional district by as many young ladies appropriately clad and wearing a sautier of white, on which was borne the names of the counties represented. Pamlico county was represented by Miss Eliza Satchwell and speaking of the representation, the "local" of the Newbern *Times*, who was present, says: "In this glorious constellation of youth and loveliness the fair Pamlico, shone resplendent in dark ruthful eyes, lustrous brown hair, flexible red lips, suggestive of the sensitive soul encased in form of perfect mould, complexion delicate as the fuzz, bloom of a sun-kissed peach, made up the fairest vision that ever enchanted mortal eyes. We don't blame you please hold that young man."

VINEGAR BITTERS

PURELY VEGETABLE — FREE FROM ALCOHOL — CALIFORNIA — DR. WALKER'S — VINEGAR BITTERS

Grateful Thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to DR. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fore-armed.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc. In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald-head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuge, no anthelmintics will free the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

THE best advice that can be given to persons suffering from Dyspepsia, Bilious Complaints, Colic, Constipation, Sick Headache, Fever and Ague, Nervous Debility, or of any disorder affecting the stomach, liver or kidneys, is to tone, cleanse and regulate them by

DR TUTT'S VEGETABLE LIVER PILLS

A distinguished clergyman of New York, speaking of this remedy, characterizes it as "one of the special blessings of the nineteenth century. The certainty of its healing effect," said he, "and the immunity from danger whether administered to children or to adults, adapt it for the widely popular use it has attained." None would long suffer from lung complaint if they knew how easily they can be cured by this remedy. By its timely use all pulmonary diseases may be arrested, and consumption—the scourge that sweeps away thousands every year—would be checked in its commencement. Persons with a seated cough, which breaks their rest at night, will find, by taking the Expectorant on going to bed, they may be sure of unbroken sleep and refreshing rest.
