MORTH CAROLINA

State Life Insurance CO. Commenced Business in March, 1873!

HAS HAD AN Unprecedentedly Successful Career !

WHY?

Because it is essentially a Home Institution, appreciated by Home People; invests every Dollar of Capital (which is paid up-\$200 (000) and every Dollar of Premium received in the State to foster and protect Home enterprises.

Has loaned to Policy Holders in Charlotte at low rates of interest, ten times the gross premiums received in Charlotte, and guarantees to invest all premiums received here in like manner.

Equal in responsibility and good management to any Life Company in the world. Issues every desirable form of Policy at as low rates as any first-class company. ARGE assortment, various kinds and No useless restriction imposed upon resi-

dence or travel. Policies non-forfeitable after two and three annual payments.

No withdrawal of Agencies from a section when once established subjecting Policy Holders to the inconvenience of remitting premiums to New York or elsewhere by 12 o'clock of the day fixed, or forfeit their policy and lose all the previous payments.

The time has come for citizens of North Carolina to encourage Home Institutions, and we recommend this Company as eminently worthy of patronage. THOS. H. HAUGHTON,

District Agent. OFFICE: CHARLOTTE HOTEL.

THE SYMPTOMS OF LIVER COMPLAINT ARE UNEASINESS AND PAIN IN the side. Sometimes the pain is in the shoulder, and is mistaken for rheumatism. The stomach is affected with loss of appetite and sickness, bowels in general costive, sometimes alternating with lax. The head is troubled with pain, and dull, heavy sensation, considerable loss of memory, accompanied with painful sensation of Laving left undone something which ought to have been done. Often complaining of weakness, debility, and low spirits. Sometimes many of the above symptoms attend the disease, and at other times very few of them; but the Liver is generally the organ most involved.

Is warranted not to contain a single particle of Mercury, or any injurious mineral substance, but is
