PARTICULAR attention paid to Frescoing Churches and Town Halls, throughout the Country. Office under Central Hotel. se26--tf.

THIS Space belongs to ALEXANDER, SEIGLE & CO., who desire the public to know that they have moved

in the Associate Reformed Chapel this morning at 11 o'clock, on the arrival of Miss Mary E. Galloway, of Due West, S. C., misionary to Egypt. By invitation of the pastor, a continuation

of the same exercises will be held in the First Presbyterian Church at 7, P. M. Joseph D. Elliott.

N. C.

We had a call yesterday from Mr. H. C. Elliott, the father of the young man who was recently convicted, at Wilkesboro, of

confined to the Penilentiary for five years. Mr. Elliott savs he hears from Jo every other day ; that he is quite well, and has gained 10 pounds since his change from jail to the Penitentiary. He is in very good spirits. His labors are not severe, as he is employed mostly in the hospital, and in writing for the officers of the institution. We have heard nothing lately of the proba-

ble success of the effort to secure a pardon

for the young man. Church Subscription.

They went around yesterday with a subscription paper, raising money for the Second Presbyterian Church. You might think about your poverty and resolve not to sign your name to any papers ; but, pshaw ! resolutions ain't worth a cent when a bright pleading smile urges you to do what you have resolved not to do ; and you seize that paper and write your name with as much alacrity as if you were just then realizing a pleasure which you have enjoyed in anticipation for months. But when the paper comes around again, a whole lot of fellows will have to mortgage some personal proper-

work out the amount of their subscriptions, in carrying mortar at the church.

The Wilmington Road. The condition of this road is still very den House which is so well known to every traveller who has ever stopped in Salbad, though there is more regularity now isbury. It has just passed into the hands of about the running of trains than there ever Mr. W. T. Linton, late of the National Ho- has been since the road was completed through to Charlotte. Between here and tel of that city, who will keep it as a real first class house. He has re-furnished it and Monroe, the train doesn't run much faster made many other needed changes in it, and than a wagon travels, so that there is no is resolved to please his guests in fare, lodg- danger of any serious accident.
