OFFICE OF

ERIE CITY IRON WORKS, ERIE, Pa., January 6, 1875.

We take pleasure in informing you that, encouraged by the favor with which our Machinery has been received throughout the South the past year, and in order to facilitate trade and meet the often expressed wishes of our friends and patrons, we have determined to open an office and warehouse for the sale of our manufactures in Charlotte, N. C., which will be known as the Charlotte Branch

of the Erie City Iron Works.
Mr. W. C. Morgan, who is so widely and favorably known thoughout the South, will be in charge of the Charlotte Branch, and we propose to keep on hand there, Portable and Stationary Engines, Boilers and Circucular Saw Mills of our own manufacture, also the best make of Corn Mills, Gins, Presses, Shingle Mills and such other Machinery as the wants of the trade require. The Charlotte House is not an agency but branch of our works, owned and controlled by us, and any business done with us there is done with the manufacturers direct. We hope the establishment of this branch house will serve to bring us nearer together and avoid the vexatious delays that so often occur in business at so great a distance as we are from you.

For circulars, price lists and any information wanted in our line, address Erie City Iron Works, Charlotte, N. C. Trusting that our undertaking will meet with your approval and support, we remain, Very respectfully yours.
