Our readers will have learned from the proceedings of the Legislature, published in yesterday's OBSERVER, that, in obedience to instructions, the Committee on Constitutional Reform has submitted a bill to call a Convenbill is telegraphed to the Wilmington

THE CONVENTION BILL.

law, nor to alter or amend section 3 or 5 of article 5 of said Constitution, nor change the ratio between poll and property tax as therein established. Nor shall it have power to propose or adopt any amendment or ordinance vacating any office or term of office now existing and filled or held by virtue of any election or appointment under the existing Constitution and laws until the same shall be vacated that to support Fremont, Lincoln or Grant, was an effort to the Great Spirlt that he might incline the heart of the white fawn toward him. It was too much for me. I went out and indulged in some firewater.

CIVIL RIGHTS IN A NORTHERN CHURCH.

A dispatch from Newport, Rhode Island, dated March 8th, in the Herald, says:

"We hope to see the action of the laws until the same shall be vacated or expired under existing laws, but it may recommend the abolishment of any offices when the present term shall expire or vacancies occur, and sion as an act done in the interest of may provide for the filling of such vacancies other than as now and limiting the terms thereof. Nor shall it adopt or propose any plan or amend ment or scheme of compensation to owners of emancipated slaves, nor for payment of any hability or debt in-curred who lly or in part in aid of the late war between the States, nor for the restoration of the law of imprison ment for debt : nor shall they require

or propose any educational or proper ty qualifications for office or voting; nor shall said Convention pass any ordinances, legislative in their character, except such as are necessary to submit the amended Constitution to the people for their ratification or res jection, or to convene the General Assembly. The whole when amended to be submitted to the people for their as it assuredly does in this article. After reading the foregoing, the reader might very well ask: Then, what in the thunder's the use of calling a ng all laws requiring hotels and eat. Here are the people's representatives following excellent bill has been in-

tell them in plain and unmistakable prospect of becoming a law : The German Fusillers of Charleston, S. C. language, what they shall and shall "Whereas, It is the opinion of this said to be the oldest millitary organization not do. It was a fearful omission— General Assembly that bachelors are not instructing the Convention what proper subjects of taxation for the content of the convention what proper subjects of taxation for the convention what the convention where the convention w sides. The Brooklyn per diem the members should draw, fore candal, it is said, has not only broken on a and how many clerks it should emdiem and pay its door keepers.

ANDY'S INTENTIONS.

Ex President and Senator Andrew day by a correspondent of the New York Tribune. In reply to a question eyes. Hill is said to be the most prominent as to his future course-whether he Democrats, he said:

"I can give no pledge as to my fu- wholesome conjugal law. It is to be ture course. I cannot say that I will hoped that the Legislature of North act with one party or with the other. We have had too much of party, and carolina will follow suit. Hell will be made to his brother-in-law, Collector Casey, all going off cheaper than the cheapest, and his chief temporal adviser, Boss W. N. PRATHER & CO.'S, salms to have recently discovered a silver to no theory of party policy. I have assist in educating other people's chiller never done so in the past, and I do not that Massachusetts, in digging never done so in the past, and I do not intend to do so in the future. I shall the past of the past intend to do so in the future. I shall support such measures as appear to my own judgment best for the coun office in the State. Whenever a man is going to do something mean in politics he invari- portunity whatever of defending myably holds just such converse as the self, as it was only put before the The Italian Government having refused foregoing. Just before the last politi House about half an hour before the cal campaign in this State, we heard numbers of men advancing such extravagently patriotic sentiments, and have only time to say just now that I When a girl crops her front hair and pulls we were not surprised to see them was defended by three or four of the it down over her forehead like a Mexican a few weeks afterward announced as mustang, and then ties a piece of red velvet independent candidates. They were independent candidates. They were and Mr. Mendenhall, members from independent candidates. They were around her neck, who can wonder at the number of pale faced young men that throw away their ambition and pass sleepless nights in trying to raise down on their upper lips.

A Good Deed.

Senator Ransom, as we learn from a special telegram to the Baltimore Sun has performed a service for which not only his own people but those of several Southern States will give him their profound and heartfelt thanks. A bill which had passed the Honse of Congress without notice authorized a writ of mandamne issued by any Circuit Court of the United States against on the states are as the number of pale faced young men that throw away their ambition and pass sleepless independent candidates. They were a gay and festive set of patriots too, were they not? Aged Shylocks, whose every cent had been wrung from the widows tears and orphan's cries, were they not? Aged Shylocks, whose every cent had been wrung from the widows tears and orphan's cries, of the middent passed the High passed the Honse of Congress without notice authorized a writ of mandamne issued by any Circuit Court of the United States against of the states of patriots too, were they not? Aged Shylocks, whose every cent had been wrung from the widows tears and orphan's cries, of the midden and passed the High passed the High passed the Honse of the passed the Honse of Congress without notice authorized a writ of mandamne issued by any Circuit Court of the United States against of the passed the Honse of the midden and passed the Honse of the midden and passed the High passed the Honse of the midden and passed the Honse of the midden

writ of mandamus issued by any Circuit Court of the United States against any State officer to remain of full effect, notwithstanding the death or resignation of such officer. The effect of the bill, as was assertained, would be to compel the payment of all the logus bonds, State and municipal, issued during the Radical and carpeting rule in several of the Southern States, which would bankrupt North Carolina, Georgis, and perhaps some other States. It is believed that the holders of some of such officer to remain of full effect, notwithstanding the Radical and carpeting rule in several of the Southern States, which would bankrupt North Carolina, Georgis, and perhaps some other States. It is believed that the holders of some of such officer to remain of full effect, notwithstanding the Radical and carpeting rule in several of the Southern States, which would bankrupt North Carolina, Georgis, and perhaps some other States. It is believed that the holders of some of some of the Southern States, which would bankrupt worth of the Southern States, which would be the common rule of the Southern States, which would be the common rule of the Southern States, which would be the component of the Boultan States of the Southern States, which would be the component of the Boultan States of the Southern States, which would be the component of the Southern States, which would be the component of the Republican. All the Republican. All the Republican. All the Republican States

Christian Union, of last week, fate of their enterprise on the cence of Beecher. That was conin bad taste to say the least. Th same journal, in this week's issue, he Sabbath and other religious s seems to have found another martyr to champion, in the person of Thorne at expelled from the Legislature of North Carolins, for blasphemy. As he article referred to in the Caristian

m is the leading editorial, it is pre-

mable that it was written by Mr. acquaintance with Thorne, and give

substance the same as that already has submitted a bill to call a Conyention. The following synopsis of the
bill is telegraphed to the Wilmington published. There is one paragraph in the fair Vinnie. Miss Sculp, allow me to present Mr. Scalp—child of art—
tion to. The writer says of Thorne: child of nature! I don't know whethpublished. There is one paragraph in "He was an active member of the Re-

stitution or ordinance upon the following subjects: Homestead and personal property exemptions, mechanic's and laborer's lien and rights of married women as now secured by law, nor to alter or amend section 3 or of article 5 of said Constitution, nor change the ratio between poll and to the Admiral's nose and took a reef in bis nether gar
The

sion as an act done in the interest of religion and morality. The Christian Church should scorn to put herself in an attitude of even seeming hostility to any man on account of his want of faith in any doctrine, or to sauction the infliction upon him of any civil disability."

think it right for the religious press to place itself in the attitude of even seeming hostility to a man for his want of faith in any doctrine; yet this religious journal thinks it perfectly right that it should place itself in the attitude of defending a man for his want of faith in the God of the Bible.

## TAXING BACHELORS.

There are some intelligent men in convention? Echo answers, what? the Legislature of Tennessee, and the
