"Free from the doting scruples that letter our free-born reason."

#### MUBSCRIBERS

At all post offices out of the city must expect their papers discontinued at the expl ration of the time paid for. Our mailin clerk knows nobody, and his instruction apply to all alike.

INFLEXIBLE RULES.

F We cannot notice anonymous communica-tions, -In all cases we require the writer's name and address, not for publication, but as a guarantee of good faith. We cannot, under any circumstances, re turn rejected communications, nor can we undertake to preserve manuscripts. Articles written on both sides of a sheet of paper cannot be accepted for publication.

#### OBSERVATIONS.

Be sure and illuminate your house night of the 19th.

Have your houses tastefully decorated on the 20th.

All friends of the celebration will surely illuminate their houses on the night of the 19th, and decorate the same for the 20th-Cau.Ku, the daughter of Spotted Tail, 15 quite lovely. Her ear-rings have torn a gap in each ear an inch long.

Remember that our patriotic ancestor spent the whole night of the 19th of May. 1775, in discussing the resolutions which were promulgated the following day.

They attempted to give out an eight syllamatches the other night, but found that there wasn't room for it in the State.

ILLUMINATION AND DECORAion May 30, 1775, in your widely circu ated journal. I enclose you an addr on that subject recently delivered TION OF THE CITY.

Yesterday's OBSERVER contain ublished in the H gestion or rather request of the From it you can gather the as asserted and believed here. tive Committee of the Centennial As-Terrord 1 main ation, that the citizens would deco We believe in the validity of the 20th of ate their houses in a becoming manner May, because First—It is asserted by tradition un on the 20th, and intimating what, their opinion, would be the most approbroken by a single contradiction. Second-Because it is proven by the priate may in which it should be done. We think this recommendation is a

positive testimony of eye-witnesses, men of more than ordinary intellect every honschold will lose no time in making the necessary preparation to ter, who say they saw and heard the

transaction. *Third*—To this it is objected that they intended to speak of the action of the 81st of May instead of that of the carry it out. In addition to this recommendation of the Executive Committee it has been suggested that the city be illuminated Fourth-That they may have been

the night of the 19th, as that night one indred years ago was signalized by the session of the memorable committee, and during this session the resoluions which were adopted in public, the following day were proposed, discussed modified and finally decided upon .-

Let the city, then, be illuminated on the night of the 19th, by all means. The trains will come crowded with visitors on that night, and let them not find us

enveloped in darkness apparently asleep but rather let us welcome them with

A CURIOUS LOVE STORY.—A very cu-rious love story is told by several of the ancient writers respecting Egivard, a secretary to Charlemagne, and a daughter of that emperor. The secrefloods of light. Let rays of light stream from every window in the city, as well from the humble cottage of the

as well from the humble cottage of the poor as from the mansion of the rich.— Let the rich have their elaborate tran-sparancies, if they will, but let those of limited means have at least a candle displayed in the window. We hope that not only the dwellings will be jillu-iminated, but the store-rooms, bank-buildings and hotels as well. Let each neighboring house, which she did . It domestic circle constitute itself a comhsppened, however, that from the window of his bed-room the emperor

mittee of arrangement and see that its own house is properly decorated and illuminated. All the fire-works that could be procured would not be so appropri-

ate or make such a beautiful and impressive scene as a general illumination. Light is cheap. Let us then

frost and snow, in the middle of a winter's night? The lovers were alarmhave a profusion of light. First impressions are lasting. Let the first impres-sion of the visitor be that the hearts of Egivard, said: "Had'st thou loved

all our people are in this matter. Let us show our guests that interest in the is show our guests that interest in the us show our guests that interest in the Centennial is non-confined to a few inporter in marriage, fear God, and love one another." dividuals but that the celebration is a

popular outburst of patriotic senti-"A PALPABLE HIT."-"Chester," in ment. In no way can we show this so his letter of 12th instant to the Peterswell as for every household to have burg News, says : One of our most distinguished divines, who was called demonstration of its own in the way of upon Sunday night to fill the pulpit illumination and decoration. It has also been suggested that patriotic mottoes,

saw the whole affair.

In the assembly of his lords the fol-

lowing day, when Egivards and his daughter were presented, he asked what ought to be done to the man who compelled the king's daughter to carry him on her shoulders, through

Raleigh, March 20th, 1875

Wm H HOWERTON.

Secretary of State

The Rev Thos Beecher of Elmirs, N. Y. opened a dancing party with prayer the other evening, after which he said, "Now, boys, form on and I'll see you dance once, and then go home."

The Patrons of Husbandry havea remarkable predominance in the Legislature of Oregon, seventeen of the thirty Senators, and fifty-four of the sixty representatives elonging to to the orders

The Cincinnati Enquirer thinks that as Bunker Hill by its result settled the contest of the Revolution, so the result of the Obio election will very possibly determine the issue of the Presidential battle.

That pathetic letter of Mrs Tilton's ad-ressed to Judge Nellson, asking that she be eard in her own defence, and her dramatic tra in presenting it, seem to have had a nost damaging effect upon Beecher's cause.

Bays the Richmond correspondent of the Petersburg Index & Appeal: The Howitzers and two companies of the Ist Regiment will certainly go to the Mecklenburg Centennial and they will probably leave here for Charlotte, N. C., on next fuesday, so that they may have some rest after the trip down before taking part in the proceedings of the

A porter street boy came across something the other day which he thought would give his father a shock of surprise, and he stood before the old man and remarked: "Give me a place to rest my lever and I will move the whole world." The father looked at him half a minute and then replied: "I'll move you if you don't clean off that back yard this Iternoon !"-Detroit Free Press,

The Mexican Congress has approved of the onstruction of railways from Vera Cruez to as, and from Guawjamas to a place on the northern frontler of Sonora. A subvention has been granted to the construc tors of the Merida and Progress Bailroad, A new colonization law has been passed, by which private parties are permitted to bring colonists into Merico.

Murat Halstead, the slashing editor of the Cincinnati Commercial, has joined Schurz to rejuvenate the Liberal movement of 1872.

Charles Francis Adams is to be the Presiential caudidate, with William Evarts for Vice-President, and the discordant, dissevthe nast ered fragments of Republicanism are to be invited to join the organization.

At the late meeting of the Coilege of Bish-ops of the Methodist Episcopal Onurch South a committee of frater next General Conference of the Church was appointed, also commission from that

boro will give tableaux next Tuesday night for the benefit of the Charlotte commemoration of the other, we say .-Centennial. "Let there be light." THE DEMOCRACY OF TO.DAY.

General James R. Chalmers, the 'game cock," so-called, of the Mississippi Democracy, made a telling speech at the Coahama Democratic convention last week, which we find fully reported in the Vicksburg Herald. As it has the ring of the true Democratic metal, we copy the closing paragraphs, and fully endorse the sentiments therein express-

The Democracy of to-day is not the Democracy of the past, any more than the fashions of to-day are the fashions of

ing in that city. The Steamer Schiller, which was shipwrecked last week on its trip across the ocean, contained among its The Whig party sleeps in the graves
