This lady, of whom we have spoken twice within the past week, is not a contributor to Waverly, as we have stated, but writes, as we learn by a note from her to a friend of ours in this city, for the Atlantic Monthly Scribner's Monthly, Harper's Weekly, The Galaxy and Appleton's Journal. Her name is well known in literary circles

River to be Stocked With Shad,

Night before last, two men, sent out by the department at Washington, passed tend their term. through this city, arriving on the North Carolina train and leaving on the Air-Line, Court for an affray. The woman was fined for the purpose of stocking Broad River, \$1 and costs. South Carolina, with shad. They had with them half a dozen cans, each containing Gardener's Calendar for July,

15,000 fish spawn.

Application for Postmastership. We have it from a source which we regard

as reliable, that Col C J Cowles, made application for the postmastership of this city, as soon as the Mint pap ran out. Thus far the department has taken no action upon the application, and it is not considered probable that it will. It is mighty har.I to let go the public teat after getting a long pull and a

strong pull at it. "Go West, Young Man "

Our special artist has again found a subject for a sketch. At the temperance meeting on Tuesday night, one of the speakers argued in favor of social proscription for young men who take drinks, and our artist

has secured a life-like picture of A "PROSCRIBED" YOUNG MAN "GOING

WEST :"

Enoch Arden Redivivus,

where it is needed."

Charlotte has an Enoch Arden sensation, were ordered to march barefooted and when

tation for both to Charlotte."

Mayor's Court.

- -

and the infant was taken sick at Nashville theatened to prosecute Sophy if she got and left. A nurse was sent for the child married, saying that her husband was livand she started for Concord, N C, when the ing, and the couple repaired to Justice Davchild died as state 1. That christian gentleidson with their complaint against Justice man, WJ Houston, hearing of the condition of the lady, immediately procured a coffin for the child, and furnished transpor-Martin. A crowd assembled and followed them into the office and afterwards around the streets. Sophy was eager to get married, but Isaac began to "take water" on the proposition and finally walked off, but Aldermen Dowd presided at the Mayor's Sophy followed him with the remark : Court, yesterday, in the absence of Mayor "Now, Mr Alexander I'se gwine to 'pend on Johnston, and did something which should you." She afterwards went after him, reentitle him to the thanks of the whole city marking as she left the office, twisting her for all time to come. Ella Bell and Josephhankerchief, that she "was gwine to marry ine Hammond were up for being drunk and de one she loved."

disorderly and nuisances generally. They Sophy's entire dress consisted of a frock, were required to give bond in the sum of a hat, a tiltereen and a pair of slippers. Of \$500, and failing to do this, were committed stockings she had on none, and divers other to jail. In behalf of the community we articles which go to make up a lady's wardthank Alderman Dowd for this action It robe, were wanting. The parties are aged, will rid us of these depraved creatures until respectively, about 65 and 55. The affair Court, at least, and we doubt not that then occasioned any quantity of merriment, but Judge Schennk will continue the good work it is one of those things which cannot be which Maj Dowd began, yesterday, and exmade to appear to the reader as it did to those who witnessed it. Blind Crump and his wife were in the

[COMMUNICATED.] The Canada Thistle.

EDITORS OBSERVER :--

We clip the following from an exchange, In your remarks in yesterday's paper, reand give our lady readers the benefit of it: "During favorable weather transplant wingarding the Canada Thistle, you made the inquiry, "where did they come from," and ter cabbage. Sow snaps for late crop and to "could some of Scotch friends give some inpickle. Plant muskmelons for mangoes. formation on that point." In response to After 10th sow early turnips. Plant Irish which the following may be of some use. potatoes for late crop: whole potatoes are Thistle is the common name of several best. Put out draws or cuttings of sweet pogenera of spiny plants of the natural order tatoes for "slips." Plant cucumbers for compositæ ; there are about thirty species of pickles. Pare and dry fruits. Gather and dry them and mostly natives of Europe. The herbs, curing them in the shade. Keep down Canada Thistle, "C Arvense" (Scop) resemweeds and fight insects. Take up onions bles the Soctch Thistle only in the flower, and early potatoes. If dry, water every eventhe latter being yery hardy and has very ing using watering-pots in each hand, garspiny margined leaves and a branching den hose are the best contrivance you can prickly stem, and flourishing best near sal, devise. Save seed as they ripen, label at once, and put away in cool, dry rooms, out water. They are all considered weeds, and from Canada, where there are supposed to of the reach of rats and mice.
