

JUST AS I AM.  
BY HON. A. W. VESADER.  
Just as I am, without delay,  
Thy gracious call will I obey,  
To thee, O Lord, my strength and life,  
Oh! Lamb of God! I come.  
Just as I am, the way I see,  
My substitute and surety, too,  
To wait on Thee—my strength renew,  
Oh! Lamb of God! I come.  
Just as I am, I look above,  
To see the Father's smile of love,  
And feel thy comfort, Heavenly dove,  
Oh! Lamb of God! I come.  
Just as I am, 'twas wondrous grace  
To undertake my hopeless case,  
And now to see thy Holy face,  
Oh! Lamb of God! I come.  
Just as I am, when death draws near,  
In his dark vale I'll know no fear;  
With rod and staff my soul to cheer,  
Thou, Lamb of God! wilt come.

**STATE NEWS.**  
The distillery of Mr. Rome Clime, near Catawba Station, was burned last Friday night, together with a large amount of whiskey.  
Mr. Eudy, living a mile and a half from Harrisburg, Cabarrus county, had his house (with its contents) burned on the night of the 25th ult., by the torch of an incendiary.  
The Wilmington Post has been informed that the C. C. R. Co. has offered to furnish iron and stock the Hickory and Lincolnton railroad, if the citizens will grade and furnish cross-ties for it, which it is said they will do.  
The residence of Mr. J. A. Blackwelder, two miles from Concord, was destroyed by an incendiary fire on Monday night last, with all the furniture. The house was nearly new, and there was an insurance of \$2,000 on it.  
The Rev. Mr. Henkel is about to move away from Mt. Pleasant very soon and go to take charge of the Lutheran church at No-Komis, Montgomery county, in the State of Illinois.  
James M. Mullens the assistant car shifter at the Raleigh and Gaston depot at Raleigh, was badly mangled while coupling cars on Thursday. He was senseless for a time but is since reported better.  
New Hanover county lays just claims to the cheekiest robber in the State. He stole a quantity of meat from the smoke-house of one man, took the man's mule and cart and carried it to a son of the man from whom it was stolen, and sold it.  
Concord Register: Mr. Gordon, who is in the employ of Mr. F. M. Morris, borrowed a mule from Mr. M. to ride to see his feminine gender below Charlotte. Gordon took on the top load of what he called old Zeb's best roe, and swapped off Mr. M.'s mule for a little while fossil about the size of a half-grown sheep. Mr. Morris proceeded to look up his mule and found it ten miles below Charlotte, after it had been traced the second time.  
Raleigh News: A tender-hearted young lady of this city, who has a heart for all humanity, visited the ladies' department of the Insane Asylum and a good old lady patient in a beseeching style implored her to give her just one kiss; that it had been many a day since a pair of young lips had touched her age-wrinkled cheek. The young lady could not refuse and gave her the kiss; but this started the whole ward and she had to kiss through before she was done.

**Harris' Empire Fertilizer.**  
The following is self explanatory:  
MR. HARRIS.  
DEAR SIR.—We have been selling your Chemical Fertilizer, known as HARRIS' EMPIRE COMPOUND, for nearly one year, and must say that we have heard nothing but the most favorable reports; in fact the farmers who have used it are more than pleased and will use double the amount the following season. We consider it the cheapest. How great a bounty and a blessing is it to hold the royal gifts of the soil that shall be music to some, and soul to others, and life to all. It would be no unworthy thing to live for, to make the power which we have within us the breath of other men's joy; to fill the atmosphere which they must stand in with a brightness which they cannot create for themselves.

**The Last Call.**  
ALL parties who have not paid their Taxes, are hereby notified that no further indulgence can be given. I will be compelled to settle in full with the County Treasurer in a few days, and, in the meantime, if steps are not taken to cancel the taxes now remaining unpaid for the years 1874-'76, the claims will certainly be put in the hands of a Deputy for collection. It will be a very disagreeable duty on my part to be forced to sell the property of any man, but as I am legally liable for the taxes still due, the collection of the same will be enforced without fear or favor. This is positively my last call to delinquents to come forward and settle without delay. I can always be found at my office in the Court House.

CHARLOTTE, N. C.  
ARCHITECT,  
AND AGENT FOR ALL KINDS  
Iron Fronts of Building, Galvanized Cornices, Iron Fences, Crestings, AND ALL KINDS GALVANIZED WORK  
Which he will sell Cheaper than any Person.  
Office hours from 9 to 12 m., and 2 to 9 p. m.  
G S H APPELEGT, wishes to inform the public at large, that he is prepared to furnish Plans of all kinds of buildings, with working drawings in full, which will be found much plainer than those of any other man in the State, he being a practical builder, having an experience of 15 years in three of the largest cities of the United States. He can answer any question or give any information in regard to the construction of any part of the building, as he is fully qualified to go and do the work himself. With 15 years as a builder and 14 as an Architect, he knows just what is necessary for a mechanic to get along with, and with this experience you will at once see that he has a pretty good knowledge of the business. You can judge for yourself as to whether a man is an Architect without being a practical builder. Some in this State claim to be Architects, when they have no knowledge of the business and can only be called draftsmen, and need some one to instruct them at all times should they undertake a job. For the last six years he has been employed in this State, and has done all the best buildings, with only a few exceptions in Raleigh, Goldsboro and Greensboro, and almost all over the State, where persons can see his work.  
In Charlotte he would call attention to S P Smith's Iron Front Building, and Sims & Dove's Store, and a number of the private residences here.  
He refers to all who have employed him as Architect and Superintendent, as to his ability. He can furnish, if any desire them, the name of parties and buildings, but cannot do so here for the want of room.  
He can show as many fine buildings as any other man of his age, and will take pleasure in doing so. Any person visiting Charlotte is invited to call and examine his drawings, which he has at least 500. He guarantees to have 50 to 1 of any other person in the State. He is not liable to examine them whether they are going to build or not. The ladies are specially invited.
