Sharon and Jones

Gossiping about Washington notaoilities, Olive Logan writes to the Graphic that the most curious study of all is Senator Sharon, the lone star of the Comstock Mine. He is a smallish man with a neat moustache, and hair with locks as though it had been a handsome blonde before the grey came. His complexion would seem to indicate that Sharon hadn't carried a parasol as much as he ought there in the gulches; it is sun-browned and dry, and the gentleman himself would be called by those epigrammatic It will be remembered that the last Frenchman ua fruit sec. To picture to you the expression of Sharon's countenance as he gazes around upon his brother Senators and the hall generaly, would be impossible. There is the strongest mingling of boredom and Liver Oil and Line, Baker's Cod Liver Oil semi-contempt in it. The immediate and Line, Tarrant's Aperient, Moller's Cod inference is that this pecunious has bitten the russet apple of Senatorial greatness and finds it ashes, palling to his taste. There is a look of newness was a usury law in force, were regard-about him, too-a sort of "Great the day our model, and many of the Heavens! What shall I do with mymembers of the Legislature who never self while this tiresome talk about things I'm not interested in its pouring out?"--which is the most marked contrast to the easy dawdling of some genuine good humor, high spirits and tion in the New York Legislature, we ble perusal of letters and papers by others; or the rising and flinging themselves on the outer sofas by others; or the ceaseless tramp-there 'you see, I walk up and down to keep order in school"-of the perambulat-

ly milk and strawberries, no doubt, but in which the strawberry hue now predominates. He has a broad ex panse of forehead, and his long "goatee" tapers at the end to a point they talk, these two millionaires? the admission of the poor colored fel low, Pinchback, think you; or of the

if each exposure of official vensity is to be followed up by increased Republican majorities, we advise them to be stopped, because they hold out additional inducements to embezzlement and fraud. In fact, we are beginning to become alarmed for our own safety, for, as a prominent lawyer of this city remarked, "the thieves outnumber the besides they have the United States Army and Navy on their side, and if any and nave and some alarmed for our contributions affections and some alarmed for our own safety, for, as a prominent lawyer of this city remarked, "the thieves outnumber the pointee, "you cannot enter in!"
