CHAS R. JONES. F. BREVARD McDOWELL. Editors & Proprietors.

"Free from the doting scruples that fetter our free-born reason."

THE "OBSERVER" IS THE ONLY PA PER PUBLISHED IN THE STATE WEST are paid stated salaries for the work OF RALEIGH WHICH GIVES THE LA-TEST TELEGRAPHIC DISPATCHES EVERY MORNING. BUSINESS MEN WILL PLEASE MAKE A NOTE OF THIS,

#### SUBSCRIBERS

At all post offices out of the city must expect their papers discontinued at the expi-ration of the time said for. Our mailing apply to all alike.

#### INFLEXIBLE RULES.

We cannot notice anonymous communica-tions. In all cases we require the writer's name and address, not for publication, but as a guarantee of good faith. We cannot, under any circumstances, re-turn rejected communications, nor can we undertake to preserve manuscripts. Articles written on both sides of a sheet of paper cannot be accepted for publication.

#### OBSERVATIONS.

If you see a man out in the back yard mauling a carpet, don't throw slurs. You may have to take down a stove in less than

Practical jokes don't go out in Arizona. The man who came one over an editor out there the other day, never came two .- N 1 Commercial Advertiser.

If we may believe the Western papers, when the land is tickled with a hoe it laughs with potato bugs,-N Y Herald.

Lady-"Now, Mr Snapper, as I saw you at church last Sunday, tell me what you think of our new preacher?" Snapper-"I think he would be a first class martyr at the Snapper-"Because he is so very dry."

What nonsense Tom Jefferson promulgated when he wrote, "All men are created equal," He could not have believed it himconvinced that the other fellow was miserably below par. - Brooklyn Argus.

On the summit of Pike's Peak, over 14,- and libellous charges against his fellow 000 feet above the sea level, where there is not a trace of any vegetation, or, indeed, any carth upon which shrubs or grass could grow, the mountain rat, an animal twice as large as a Norway rat, abounds in vast numbers, overrunning the United States signal station on the apex of the mountain,

Yee Gee Peow, a noted Chinaman, was buried at Tuckee on Tuesday with great ceremony. Five hundred Chinamen attended the funeral. They had Chinese music, mourning women, etc. A goat and hog were roasted, and eaten with cakes, candies, etc .- San Francisco Fost.

The San Antonie Herald is for Bayard because, "faultless and irreproachable, he is invincible to assault, and he has that personal magnetism that attracts and wins and forty years of age, though possessing the wisdom and judgment of age, he unites to vigor of manhood, purity of character, temperance in habit, and a scorn for everything

The Detroit Free Press is moved to make fun of the dress of the Sandwich Island women. But, seriously, it is the most sensible and picturesque dress in the world, consisting of a single, ample-sleeved garment, buttoning at the throat and falling gracefully to the instep. The bat is frequently a wreath of leaves and flowers .- N Y Herald.

There have been some radical changes in the last century. A hundred years ago they kissed a lady's hand; now you kiss her lips -- that is, of course, if you happen to be behind the wood pile and nobody is tooking, and you don't want to disappoint her. It may take one hundred years to get from her hand to her mouth, but we never felt that the time was misspent .- Norwich Bulletin.

NEW PAPER IN CHARLESTON.-We have received the first copy of the "Journal of Commerce" a daily paper

WILL AND WAY .- They say where there placed his veto upon it. Mr Parton took his sweet heart and step-daughter to the State of New York, had the knot tied over and tighter, and so the two of a public journal, and no more.

If which he did; but he and the Spaniard did not long remain in each other's company. Mr. Bensley made no more mistakes of that kind during for their zeal and perseverence in the matter are united in a firm and indis-

FREEDOM OF THE PRESS AND

CLUB. The freedom of the press has justly been regarded as one of the greatest bulwarks of English and American is the guardian of the freedom, purity and honor of this country; and its safety from undue fear and interference cannot be too highly valued. It duty of the press to ery aloud against tyranny, expose corruption, and battle against every abuse of power that affects or in any way injures the rights and privileges of private citizens. This government is the creature of the people and to them, it belongs. They have elected officers to make them laws and to disburse and take care of the funds set apart for carrying on its machinery and laws. These officers they do, and they are expected to do discharge of their duties, and commence to act dishonestly and swindle and cheat the people, why then the people certainly ought to be informed country is too wide and extended for individuals to proclaim it to people orally, so the public press which is constituted for that purpose is the proper and only available channel through which such intelligence can take notice of all abuses or irregularimeddle with the private matters be- that day is over. tween man and man. "A man's house

is his castle," says the old common law, and no one has a right to enter it. She has visited Washington once bers and plunderers, save the bullpup that castle and insult or intimidate its only this season, and her stay, not which was sent by express, C. O. D., owner or his family. So the moment being professional, was brief. She which Ulysses would not take until all that a public journal brings charges stone front, a coupe, and is a swell lady 11. Moreover Babrooster, the scribe against a man affecting his character of stunning manner and style. She of Ulysses the son of Jesse divided the as a private individual, he has taken an made during two winters in Washing-spoil of the crooked whisky with the unwarrantable liberty with the most ton a clear net profit of \$300,000, and, St. Louis-ites, but gave not unto Ulysses sacred rights of his fellow man, transcended his privilege as a public journalist, and has committed a grave offense against the dignity of the laws the South originally, and thirty at the 12. And it came to pass that Belnap, and the peace of society, whose harmony and well being he should have some. Her manners are quiet, re- Kentuckee of the tribe of Tomlinson; been most instrumental in preserving. served and lady-like. But her clever- but the Lord took her away, and he did Peaches, fresh do Tomatoes, fresh do. This frequent trifling with individual ness is wonderful and vast. She knows mourn exceedingly. stake?" Lady—"Why so, Mr Snapper?" rights and constant abusing of citizens knowing this, has been successful. in private walks of life by the press of the country, should be frowned down and discouraged by all who desire to give dignity and character to journalreif, and no two men ever were half an hour ism. The freedom of the press should together without each one becoming fully be used, but not abused; and the sooner an editor is taught that he shall certainly be called to account for false

note when he said the 'freedom of the press and the freedom of the club should go hand in hand." The reader will note that we make a distinction between license and freedom, when speaking of the press. An editor denever loses friends-young, for he is not yet commensurate with the crime, for her pace. He also hurried up, keepvindicate their integrity and honor. lainy the black devil no doubt con-templated, and the young lady fully devoured all and flown away like the The process was entirely too slow and realized her fearful peril. unsatisfactory-they believed that the At a point where an encroaching hill freedom of the cane should go side by crowded the road to the very verge of 20. But the people do clamor to have boro New North State would not endorse them, and when we learned by
