A GREAT SAVING

CAN BE MADE!

PRICES REDUCED

TO SUIT THE TIMES!

Owing to the GREAT DEPRESSION in business, I am enabled to buy many Goods in my line at GREATLY REDUCED RATES

THE REASON

WHY I Undersell all others, is simply because I buy in such large quantities for Cash, that I make in the buying what other dealers make in the selling.

☞ The constant increase in my trade for the last ten months, is conclusive to me that the efforts I have made to please my customers, have been fully appreciated and have proved a great success.

Many persons entertain a wrong impression when they think they must pay high prices in order to get first-class Goods. I can assure them that all who favor me with their patronage, will find the best assortment of Goods, and guarantee every article to prove as represented and give entire satisfaction, or the Goods can be returned and the money refunded.

RESPECTFULLY,
M. KOPPEL.

Turkish War.

CONSTANTINOPLE, Aug. 2.—Official dispatches state that the Turks have captured the Servian fortified positions neor Gurgusoratz, inflicting heavy loss. The Turkish losses are small. It is believed that the Servian General Tchernayeff is at Saitzchar.

The defensive position of the Servians at Saitzchar is reported as impregnable. The Servian left wing has taken Brelapalje and threatens Seinetza The Turks are entrenched at Izor. The Turks have a corps of observation 6,000 strong on the Danube, opposite Roumania. Large sums from the Russian Commissioners have been received at Belgrade. Three Russian Countesses are in Servian hospitals. Austria is strengthening the garrison at Semlin. Russia is sending troops to the frontier. The Eastern prospect again looks gloomy. Mahktar Pacha's position is reported difficult. The Montenegrins occupy his line of communication. Except toward Ragusa There are apprehensions at Belgrade that Austria will occupy Servia with a military force in this interest of European peace.

HOUSE.—Judge Knott is making a personal explanation in the Blaine matter. A full House is paying marked attention. When he concludes filibustering over the Silver Bill, which comes upon order will probably consume the day. Mr. Voohees is quoted as saying that the soft money Democrats of Indiana are all entire for Tilden and Hendricks.

Notice is hereby given by the Light House Board, that on and after October 6, '76, light will be shown from the light house recently erected on the South end of Morris Island, near Charleston, S. C. WASHINGTON, D. C., Aug. 3.—Nomination: H T French, of Massachusetts, Assistant Secretary, Treasurer and Assistant Treasurer are instructed to exchange silver for legal tender.

SENATE.—A joint resolution introduced by West, authorizing Postmaster General to accept from the Pacific Mail Steamship Company for mail service between San Francisco and China, the steamship city of Sidney, and city of San Francisco, passed. Davis, of West Virginia, submitted a resolution to pay the funeral expenses of the late Senator Caperton, of West Virginia, agreed to. Spencer of Alabama, called up Senate bill to limit and fix the Signal Service, which was amended and passed. Mr. Sargeant said the bill to give effect to the Hawaiian treaty, had not been acted upon yet on account of the impeachment trial and other business. He gave notice that he would ask the Senate to take it up for consideration as early as possible, as business interests were being disturbed by the delay. The River and Harbor bill was resumed and passed as it came from the Committee. It goes to the House for concurrence. Final vote 34 to 11. Adjourned.

Col B W Frabel, Chairman of the Committee on national water routes, of the National Board of Commerce and Navigation, is here, but will leave for Atlanta, Georgia, in a few days. He furnishes the following in reference to the bill which passed the Senate to-day. The River and Harbor bill as it passed the Senate reduces the House bill about $900,000. This bill is more liberal to the South than any previous bill of the kind and its general features give satisfaction to the water line interest. All of the four national lines recommended by the Senate's committee on transportation routes have received recognition. The Fox river line, the James river, the Kanawha, the Tennessee, Coosa, Etawah and Ocomulgee receiving in the aggregate, about the same amounts. Galveston harbor and outer bar gets $150,000, and a special order for a survey of the harbor; Pensacola inlet $20,000; Sabine river $40,000; Savannah harbor $52,000. An effort was made to defeat the bill, but this was successfully fought by the friends of the bill, among these, Norwood, Maxey Gordon, Spencer, West, Ransom and Merrimon. Hon W H Felton, of Georgia, was on hand hand at all times and gave efficient aid. The bill also appropriates $40,000 for surveys to be expended under the direction of the Secretary of War.

The Conference Committee on the Diplomatic bill reported unable to agree; a new committee appointed. A joint resolution that Congress adjourn at 12 M. Monday next, was adopted. Adjourned.
