Proceedings of the Cotton Convention. LONDON, Aug. 10 .- Eight American hree Dutch, one London and six Liverpool representatives of the cotton trade met in convention here yesterday. Mr Samuel Simpson of New Or-

eans, presided. He stated the objects of the meeting as declared in the resolutions of the American National Cotton Exchange, Mr W B Forwood, of Liverpool, indorsed the object of the meeting. Mr W P Campbell, of New York, moved that this conference recommends the formation of an International Cotton Association, to promote the efficiency, and to extend the usefulness of various associations of Europe and the United States, to secure united and harmonious action, in considering the various questions affecting agricultural, commercial and manufacturing interests of cotton; that the welfare of the cotton trade. may be better protected and promoted. Delegates being unable to bind their respective associations, the reso-

A resolution was offered by Mr Reynolds, of Norfolk who stated that it was the opinion of this conference, that the present system of conducting arbitrations on the quality of cotton in Liverpool, is unsatisfactory, and that the Cotton Brokers' Association, be requested to appoint a committee, to consider some more efficient means of assessing an allowance to be made in cotton bought and sold to arrive. The resolution was passed after considerable discussion.

lution was withdrawn.

Mr. Forwood, of Liverpool, moved that in the opinion of the conference, obstructions upon the quantity of cotton should be fixed according to the official quotations of the day. The motion was adopted.

Mr Nicholson, of Liverpool, moved that Liverpool drawn samples of American cotton are, on an average, worse in appearance and consequently in class, by 1-16d to id per pound, than those drawn in America before the cotton is compressed; and that severer pressure will further deteriorate the class. The motion was unanimously adopted.

Mr Samuel Smith, of Liverpool, moved that it is desirable that cotton should be sold in America, at its net weight, and that the various exchanges in America, be requested to endeavor to give effect to this recommendation. Unanimously adopted. Other resolutions were adopted unanimously to the effect, that the system of samp ling cotton in America, should be the same as the Liverpool system; that it is desirable that the same classifications of American cotton, should be adopted in all European and American markets, according to standards to be furnished by the Liverpool association and to be ratified, by the American National Exchange; that the several exchanges in America, be requested to appoint an inspector, to certify to to the condition of all cotton exported. That sufficient care is not taken by shippers, in delivering cottton at Liverpool, which should be amended, and that this conference adjourn until next July, to meet at Liverpool, and that the Liverpool Cotton Brokers Association which are empowered to invite delegates from American and European Exchanges.

DemocraticStateConvention Endorses the St. Louis Platform.

DETROIT, MICH., Aug. 10 .- The Demare: Geo W L Webber, for Governor, Julius Houseman, for Lieutenant Governor. Its resolutions affirm an abid- this month. ing faith in the traditions and principles of the Democratic party, namely The strict construction of local self government, the responsibility of officials to the people, hostility to sumptuary laws, and undue protection to local laws by Federal legislation. The St. Louis platform was fully endorsed. The 6th plank reads: "We declare our devotion to the Federal constitution, with its amendments, and insists it is the duty of every State government to protect in the enjoyment of all their rights, all law abiding citizens of whatever race, or color, and to bring to conviction and punishment all persons guilty of any violation of the laws.

The Cotton Crop in Georgia.

Augusta, Aug. 10 .- Taking a broad view over sections allotted to this exchange, we conclude the crops generally are in very flattering condition as with 30,000 Turks under Marstapha a whole-pointing should there be no Pasha, near Bilek. The Montenegrins future disaster to large yield—four let-have abandoned the neighborhood of Bilek.

Some plants of rust, eight of grass—hoppers.

Just received Mackerel, Hams, Lard, con, Cheese, Coffee, Sugar, Meal, Flour, blasses of every grade, Vinegar, Pepper, boppers.

SAVANNAH, Aug. 10.-The present condition of the crop is favorable, though it is critical, on a yield of from 10 to 20 per cent. over the last is expected. There are complaints of rust, from the light pine lands of, catterpiller, ocratic State Convention nominations from the rich cotton lands; the extent of the damage thereupon depends on the character of the weather during Snuff, Cigars, Matches, Candles, Soap.

ALABAMA.

Democratic Majority About 40,000 -Forney Re-nominated for Congress-Condition of the Crops.

MONTGOMERY, Aug. 10-At a Democratic Convention, held at Gadsden to-day, for 7th Congressional District, Hon W H Forney, at present one of the Representatives at Congress was nominated by acclamation.

Returns have been received from sixty-four counties, and Houston's majority is 36,671; the counties to hear from, in 1874 gave a Democratic majority of 3,602. The Senate stands 27 Democrats, one Independent and four Republicans. The House will stand 83 Democrats, two Independents, 15 Republicans.

The rainy weather still continues,

and farmers complain dreadfully of cotton worm which is already doing much damage. The rain washes off the worm. The corn crop is the largest ever made in this State.
